ESCAPES JAIL WITH THE AID OF OUTSIDERS

Wilbur Clevenger, Arrested Saturday
on Liquor Law Violation Charge,
Saws Way Out

FOUR OTHERS IN THE JAIL

Earl Hall, Also in Jail For Violating
Liquor Laws, Denies Knowledge
of the Delivery

ON FLOOR WITH CLEVENGER

Three Prisoners on First Floor Tell
Sheriff They Heard Automobile
Outside the Jail

A jail delivery, sponsored by aid from someone on the outside, freed Wilbur Clevenger early Sunday morning, when the bars over the window on the second floor were cut, and the prisoner made his escape down a ladder erected by the assistants from the outside.

Clevenger was arrested Saturday afternoon by officers on a charge of bootlegging, and had gone to jail upon default of \$4,000 in bonds, after having entered a plea of not guilty to two liquor charges in police court.

Four other prisoners in jail did not escape. Earl Hall, who occupied a cell on the same floor, slept through the affair, and the other three prisoners were confined in the cells on the first floor of the jail.

No effort was being made today to capture the escaped prisoner, because the charge would not justify an expense of tracing him down. It is said that the officers have a good idea as to the outside help.

Clevenger was arrested Saturday afternoon, following a raid at his residence at the corner of Palo Alto street and Buena Vista Avenue, where the officers said they found almost 5 gallons of white mule.

Mrs. Alice Clevenger, his wife, also was arrested on a charge of unlawful possession, because the liquor was found in their home, and she was permitted to go on \$100 bond.

Officers S. L. Hunt, Ed Spradling, Russell Glendenning and Police Chief Blackburn, conducted the search, and Clevenger was arrested in a pool room downtown, and according to Sheriff Hunt, he had a small quantity of the liquor in a bottle, when arrested.

He was arraigned in police court, and denied possession of the liquor

JOHN M. HITTLE DIES, CORONER IS CALLED

Well Known Resident Of Falmouth
Neighborhood Expires This Morn-
ing Of Heart Disease

HAD BEEN IN POOR HEALTH

John M. Hittle, a well known resident of Falmouth neighborhood, expired suddenly this morning at his home between Falmouth and Fairview, death being caused probably from heart trouble. The deceased was 58 years old.

Mr. Hittle had been in poor health for a week, suffering with a severe cold, which bordered on pneumonia, although his condition was not regarded as being serious. He was found dead about six o'clock this morning, while building a fire and County Coroner J. M. Lee was called.

He was engaged as a paper hanger and painter in his neighborhood. Besides the widow, he is survived by one son, Fred Hittle. Two brothers, Arthur Hittle of Indianapolis and Homer Hittle of Los Angeles, also survive, besides two sisters, Mrs. Daisy Kirkpatrick of near Falmouth and Mrs. Ossie Hinchman of Texas.

The funeral services will be held Wednesday afternoon at two o'clock at the Fairview church, and burial will be made in East Hill cemetery, Rushville.

MAKE RESERVATION AT ONCE

Those Expected To Attend Charity
Card Party Urged To Act

Those who expect to attend the charity card party that will be given at the Elks club rooms Wednesday afternoon by the Psi Iota Xi sorority are urged to reserve tables at once as the managers of the party are anxious to know at once how many players may be expected. It is necessary to call phone No. 1261 or 1821 to reserve tables. Some card clubs have reserved tables for their members who will progress among themselves. Both bridge and five hundred will be played.

The proceeds from the card party will go to the school milk lunch fund that is being sponsored by the Rushville Woman's Council.

EFFORT TO DEFEAT MOOREHEAD BILL

Opponents Of Measure Prohibiting
500 Mile Auto Race Made
Counter Moves

TWO BILLS ARE INTRODUCED

One Would Give Mayor And City
Council Of Indianapolis Power
To Designate Holidays

(By United Press)

Indianapolis, Ind., Feb. 19.—Strenuous efforts to defeat the intentions of the Moorehead bill which would prohibit the annual five hundred mile automobile race and other commercial sporting events throughout the state on Memorial day were launched by opponents of the measure today.

Anticipating passage of the Moorehead bill by the legislature they introduced a measure in both senate and house, empowering the mayor and city council of Indianapolis to designate legal holidays. The theory of the bill is that a legal holiday may be designated for holding the speedway race which under the Moorehead bill could not be held here Memorial Day.

The new bill was introduced in the senate by William E. English and Winfield Miller and in the house by Asa Smith all of Indianapolis. Another bill providing that Memorial Day shall be the last Sunday in May is pending in the senate.

The speedway bill is ready for final consideration in the house where a test vote indicated it will pass. The senate already has approved it.

Many amendments were attached to the bill introduced in the senate to make the country the unit of education in Indiana and take away all school authority from the hands of township trustees.

An amendment introduced by Senator Brown would require members of the county school boards to have at least thirty-six weeks of normal school training and be a high school graduate, was adopted. Another amendment by the same senator which would require the county superintendent to be a high school graduate and have teaching experience, was tabled.

A fight occurred when Senator Harmon introduced an amendment designed to take the county boards out of politics. He would have in-

PLAN NEW TACTICS FOR SENATE VOTE

Adherents of Ship Subsidy Bill Will
Resort to Mail First to Get The
Bill Through

MIDDLE ROAD COURSE FAILS

Majority of Senate is Prepared to
Vote For Measure if Filibuster
is Defeated

By LAWRENCE MARTIN

(U. P. Staff Correspondent)

Washington, Feb. 19.—The "crucial hour" in the filibuster against the ship subsidy bill drew near today as administration leaders got ready to use the mailed fist tactics on the bill's opponent.

Senator Jones' plan of trying to placate everybody and thus insure in the end unobstructed consideration of the subsidy bill has been admitted by party leaders to have failed, and, after one more effort today to line up senators by diplomacy, they will switch to rough and tumble parliamentary measures if the filibuster group shows no signs of relenting.

The situation today was:

A majority of the senate is prepared to vote for the passage of the subsidy bill if it is allowed to come to a vote. The bill would pass with a margin of four to six votes were it voted on today. But its opponents, including Democrats and Republicans, said they would never permit a vote. A great many of the Democrats who originally supported the filibuster, were ready to abandon it and permit a final vote if they could get two amendments added to the bill—one limiting appropriations under it to one year and another providing the subsidy should go principally to freight vessels. Senator Jones, in charge of the bill, said he would rather have no bill than one with those provisions.

Among those who will vote for the bill as a matter of party loyalty if ever it comes to a final vote were several who hoped they would escape that vote. They would include Senator Watson of Indiana, administration leader who has repeatedly told Mr. Harding that the legislation was unwise.

Senator Brookhart, one of the new crop of progressives, said he would be as unyielding as President Harding and that he had a mandate from 300,000 Iowans to oppose the subsidy. Brookhart said nothing would make him quit filibustering even if he had to talk the bill to death, unaided.

In the midst of much confusion, Jones and party leaders planned

BREAK IN COLD WAVE IS PREDICTED TODAY

New Record For Winter Established
Early Sunday Morning When Mer-
cury Goes One Below Zero

WARMER AND SNOW TONIGHT

Warmer weather was in sight for tonight and Tuesday according to the predictions, and in all probability, the extreme cold spell which swept this part of the country last week, will be dispelled. The coldest weather of the year was recorded Saturday night when the mercury fell to one degree below zero, according to the government thermometer in charge of Elwood Kirkwood at Maury.

The mercury dropped to about 12 above last night, but today it was gradually going up, and cloudy weather was predicted, with a light snow tonight, and with warmer weather Tuesday. The coldest expected to be reached tonight was 20 to 25 degrees above zero.

Washington, Feb. 19.—A definite break in the cold wave of the past week will occur tonight in nearly all the territory east of the Mississippi the weather bureau forecast today. Warm weather tonight and Tuesday was the forecast.

DEALERS SEE NO NEED FOR ALARM

Rushville Grocers Conversant With
The Situation Say Sugar Shortage
Is Not Imminent

SHORTAGE IS PREDICTED

Pointed Out, However, That 1,203,-
000 Ton Carryover From Last
Year Will Meet Demands

The rise in the price of sugar, which was attributed to a statement by the United States department of commerce last Friday to the effect that there would be a shortage of 750,000 tons of sugar this year, threatened to bring about once more the hectic conditions that existed in the sugar trade in 1920, but the fear of a shortage has been allayed by a supplementary statement of the department of commerce that there is no occasion for alarm because the 1,203,000 ton carryover will more than offset the estimated shortage for the year.

Local dealers who have acquainted themselves with the situation say that there is no need of consumers becoming panicky because if they rush into the market and try to buy up a year's supply, they will further inflate prices and cause trouble for all consumers as well as the whole sales and retailers.

Some Rushville dealers have positively refused to sell large quantities of sugar to their trade, assuring their customers at the time that there is no need of becoming alarmed because the carryover from last year will more than take care of the shortage predicted for this year.

Commenting on the sugar survey issued by the Department of Commerce on February 9, in which it was predicted that consumption this year would exceed production by more than 700,000 tons, the Secretary declares that there is no cause for alarm in the situation because of the 1,203,000 ton carryover from last year's crop. This will leave a surplus of 467,000 tons at the end of the year, he said. While this is less than one third the carryover of the past two years it is believed that the supply will be ample when invisible stocks are taken into consideration.

Mr. Hoover explained that the survey was the third semi-annual report of the Department of Commerce on the sugar situation, and the other two reports proved, finally to be very nearly correct. He said the surveys are painstakingly compiled from the foreign representatives of the department with only one view in mind

PROTEST MADE OVER NEW'S APPOINTMENT

President Told Majority Of Repub-
lican County And District Chair-
men In State Are Opposed

REP. WOOD SEES HARDING

(By United Press)

Washington, Feb. 19.—Protest against the appointment of Harry S. New, of Indiana, as postmaster general was made to President Harding today by Representative Wood, Indiana, in behalf of the republican organization, of that state.

New is to succeed Postmaster General Work if the latter is selected to head the department of interior when Secretary Fall retires March 4 according to present plans.

Wood said that his opposition was not personal, but that he was expressing the wishes of the state organization in Indiana. It was said that ten out of the thirteen members of the state republican committee and sixty-five percent of the county chairmen were opposed to elevating New to a cabinet position.

"Senator New crawled in his tent after a defeat in the Republican primary," Wood said, "and withheld co-operation in the republican campaign that the organization thought proper."

EVIDENCE HEARD BY JUDGE

Case of Ferris Et Al Against Brier
Et Al. in Court Today

Circuit court this morning was taken up with the case of B. Ferris, et al., against Samuel W. Brier, et al., on the plaintiff's case for money had and received and for an accounting and damages. The evidence was given, and the matter taken under advisement by Judge Sparks.

The jury which has not been used in this term of court, and was scheduled for a case Tuesday, was again called off and told to report next Monday. Indications are that the jury will be used every day during next week, excepting Saturday. Several court matters will be taken up this week without the jury.

GERMAN SABOTAGE GIVEN THE BLAME

Held Responsible For at Least Two
Wrecks in The Rhineland Over the
Week End

SCORES OF LIVES LOST

Open Resistance, With Occasional
Violence, Marks Change in Atti-
tude in The Ruhr

(By United Press)

A score of lives were lost in railroad wrecks in France and the Rhineland over the week-end, and in at least two instances German sabotage is held responsible. Wrecking of the Paris-Nancy express with 16 reported dead and 38 injured, occurred near Rhienis and apparently had no connection with the Ruhr invasion but French and Belgian trains were derailed near Dalhausen with loss of four lives.

Open resistance, with occasional violence, marked a change in the Ruhr's attitude. A French soldier was shot at Gelsenkirchen and a sentry ambushed at Westenhausen. German ministers openly broke the blockade forbidding them to occupied territory.

Disarming of Ruhr police was started with a round up of 400 at Essen.

Washington, Feb. 19.—France is sending additional troops into the Ruhr to put down German resistance and German sabotage, the French embassy announced today. The reinforcement include a French colonial regiment, this being an admission that colored troops were being employed in the Ruhr operations.

Colonel Dumont, the French military attaché, in making the announcement today declared that the additional troops would aggregate about 5,000.

Essen, Feb. 19.—Fighting between French soldiers and German policemen in different parts of the Ruhr was reported today and the situation seemed to be drifting towards guerrilla war. A German policeman shot and wounded a French soldier at Gelsenkirchen, the latter returning the fire, wounding the policeman.

Feeling through the occupied areas became extremely bitter this clash coming a few hours after a French officer was found dead, believed slain by German policemen here. Several other clashes between police and troops were reported.

Dalhausen, Feb. 19.—Three French were killed and more than 30, including a number of women and children are reported injured, when five coupled engines were sent crashing into the rear of a French engineers train between Weitmar and Dalhausen.

Signals on the line failed to work it was reported, the French blaming sabotage.

One Belgian soldier was killed and a number wounded when a Belgian train hit a French supply train at Crefeld, between Aix-La-Chappelle and Dublin.

Death sentences will be immediately inflicted upon those found responsible, it was announced and the French and Belgians are taking extraordinary precautions throughout the Ruhr to prevent further accidents.

LEGISLATURE IN ITS LAST QUARTER

Confronted By Volume Work Equal
To That Completed During The
Session Thus Far

500 BILLS AWAIT ACTION

Appropriations And Soldier Bonus
Will Drift Into Closing Hours
For Quick Consideration

(By United Press)

Indianapolis, Ind., Feb. 19.—Swinging into the last quarter of the sixty-one day session, the legislature today was confronted with a volume of work equal to that completed during the session thus far. Leaders predicted that many pending bills would fail with sine die adjournment March 5.

Some 500 measures are waiting final disposition.

Chief among them is the appropriation bill, which has been increased nearly \$2,000,000 by the senate finance committee from the \$16,000,000 total approved by the house of representatives.

It appeared certain that the appropriations and the soldier bonus will drift into the crowded closing hours and receive hurried consideration. The bonus, which has passed the house and is awaiting senate action, would cost the state \$20,000,000.

Thus the legislators, in trying to clean their slate before the final gavel falls, will be called upon to dispose of at least \$36,000,000 of public money in a rush of work, in addition to the expenditures incurred in other proposed legislation.

Besides the bonus and appropriations, these important bills await consideration:

1.—Bill to prohibit the annual 500 mile automobile race and other commercial sporting events in Indiana on Memorial day. Passed the senate and ready for passage in the house with test votes indicating approval.

2.—Senate bill putting motor trucks and busses under control of the public service commission. Pending in the house.

3.—House bill to lift the war ban against teaching of the German language in high schools. Pending in the senate. A similar measure relating to elementary schools is still in the house.

4.—Governor McCray's proposal that the administration of school affairs be on a county-wide instead of a township basis. Pending in the senate where it originated.

5.—Administration measure to establish a tax of two cents on each gallon of gasoline, the proceeds to be used by the highway commission

ANOTHER DEATH IN INSANE MURDER ORGY

Marjorie Langley Dies From Wound
Inflicted By Father Who Killed
Wife And Son

THEN COMMITTED SUICIDE

Richmond, Ind., Feb. 19.—Another death was added today to the insane murder orgy of Wilson Langley, 43, who killed his wife and his 3-year-old child and then committed suicide.

Marjorie, 9-year-old daughter, died from bullet wound in her head. Friends of the family started an investigation in behalf of three children who were left orphans by the tragedy. Langley often spoke of a \$40,000 estate and of a wealthy mother in England.

Oscar, 13, discovered the three lifeless bodies and his wounded sister when he went downstairs. Each had a bullet hole in the head. Oscar called Horace, 11, and they summoned a doctor, meanwhile trying to revive Marjorie by first aid treatment.

Marie, 8, was the other surviving child. The shooting occurred at the Langley home in New Paris, O., a few miles east of here.

SAFETY SAM

Autos to right of us,
Autos to left of us,
Autos in front of us,
Rattle and rumble;
What matter the cost?
Streets must be crossed,
Though we know we're lost
If ever we stumble.

Attend the FARMERS' EXPOSITION

To be held in the Manufacturers' Building, State Fair Grounds,
Indianapolis, all week

FEBRUARY 19-24, 1923

Auspices Indiana Board of Agriculture, and Sponsored by
All Farmers' Organizations of the State

Indianapolis & Cincinnati Traction Co.

Offers fare and one-half for the round trip on any car during the
week. Open rate—No Certificate Required. Minimum Fare \$1.00.

Public Sale

We, the undersigned, will sell at public auction, on the W. C. Bishop farm,
1½ miles northeast of Rushville, on the concrete road or Dunreith Pike,

WEDNESDAY, FEBRUARY 21, 1923
SALE STARTS AT 10:00 A. M.

2—Head of Horses—2

1 black mare, 12 years old, will work any place, good puller. 1 bay mare, will
work any place, good puller. These mares will weigh about 1500 pounds.

12—Head of Cattle—12

5 Jersey cows, some fresh, others to be fresh soon; these cows are all good
milkers, straight and all right. 5 heifers, bred, will be fresh soon. One
A No. 1 Jersey bull, coming 2 years old. 2 weanling calves.

78—Head of Hogs—78

16 Big Type sows, bred to Big Type boar, to farrow in March; 5 Hampshire
sows, bred to Big Type boar; 9 Hampshire gilts, bred to Hampshire boar;
40 head Hampshire feeders, weight 60 to 70 pounds. 2 Big Type boars, good
ones, two years old. These hogs are all double treated.

About 400 Bu. Extra Good White Corn in Crib
About 7 or 8 Tons Good Mixed Hay in Mow

Farm Implements

T. G. Richardson, Treas.

FARM EXPOSITION TO OPEN TONIGHT

Exhibits Representing Every Phase
Of Farming Industry Shown At
State Fair Grounds

LECTURES ON THE PROGRAM

Thousands Of Farmers And Mem-
bers Of Their Families Expected
To Attend This Week

(By United Press)

Indianapolis, Ind., Feb. 19.—Gold
fish and cider, bees, trees and tea
will all be in evidence when the In-
diana Farmer's Exposition the first
of its kind in the state, opens at
seven o'clock tonight at the state
fairgrounds. Lectures by members
of the department of agriculture ex-
tension at Purdue and exhibits rep-
resenting every phase of the farming
industry have been included in the
program.

Thousands of farmers and mem-
bers of their families and many
city people who are interested in
rural life are expected to attend.

Each forenoon of the exposition
will be taken up in inspection of
the exhibits and round table dis-
cussions. Tuesday afternoon has
been set aside for consideration of
livestock problems including lec-
tures on sanitation, production and
marketing. F. G. King, of Purdue
secretary of the Indiana Livestock
Breeders Association and president
of the American Society of Animal
Production will give the principal
talk.

In connection with this, diseases
in cattle and swine and measures for
control and eradication will be pre-
sented in an exhibit planned by the
state livestock board.

The various days have been as-
signed for various subjects of farm
life. Goldfish from the Grassy
Fork Farm and poultry from the
White Hill Poultry farm will be
shown along with posters and charts
showing the acreage devoted to the
growth of peaches, grain, melons and
livestock.

There will be booths for women
containing hints on decorations,
recreational work including the
making of party favors and frocks
and party gifts in wax.

WHY SUFFER SO?

Why suffer from a bad back, from
sharp, shooting twinges, headaches,
dizziness and distressing urinary
ills? Rushville people recommend
Doan's Kidney Pills. Could you ask
for stronger proof of merit?

Mrs. W. A. Wylie, 824 N. Arthur
St., Rushville, gave the following
statement September 20, 1915: "My
trouble began with a clutching dig-
ging pain directly across my kidneys
and over my hips. The pain was
terrible and I had to be given pain-
easing tablets by the doctor to re-
lieve it. I was unable to do my
housework for a week and was in
misery. Others of my family had
taken Doan's Kidney Pills with ex-
cellent results so I began using
them. I did not have to use a whole
box before the pain let up and soon
disappeared."
On November 4, 1920, Mrs. Wylie
said: "I still have the same high op-
inion of Doan's Kidney Pills. I hav-
en't had to use them lately as my
cure has been a lasting one."

SEISMOGRAPH DETECTS EARTH TREMORS ALL OVER WORLD

WHEN THERE'S A QUAKE—HE TELLS THE WORLD
Father Francis A. Tondorf, S. J., chief of the Seismological Service of Georgetown University, is shown with the Seismograph, that delicate instrument that records earthquakes occurring on any part of the globe. By these means the world is kept informed of any quake, be it ever so slight. There are few of these seismographs in existence, but due to the large amount of trouble attached to taking care of them, not many are kept in constant operation. However the one at the University is always busy, and has imparted information of great value to scientists.

New York — William O. Partridge, sculptor, brought suit for \$100,000 because Thomas Jefferson and other master pieces in plaster were buried beneath several tons of coal by a caretaker.

New York.—The 1923 ghosts must be dressed in college cut clothes to register with men of science or today, Dr. Joseph Jahtrow, University of Wisconsin scientist, told a Brooklyn audience. White sheets are past.

New York.—Foul play was charged at the New York poultry show, some one having pulled the tail feathers of prize leghorns belonging to George B. Ferris of Grand Rapids Mich.

Orange, N. J.—Confiscated home made hooch stored in the cells in the station house made life unbearable for the force until Captain Thomas Ryan ordered his men to don gas masks borrowed from the armory.

HOUSEHOLD GOODS FOR SALE

Bed-Room Suit, American Walnut, Queen Ann style.
Globe-Wernecke Sectional Book Case, American Walnut.
Floor Lamp—Mahogany, Large Silk Shade.
Dining Chairs—Six Golden Oak, Leather Seats.
Princess Dresser—Birds-eye Maple.
Brunswick Phonograph—Largest and Finest Model.
Large Desk—Golden Oak.
Mirrors, Pictures and Various Other Articles.
Call at Residence, 227 West Third St.

MRS. FRED BOXLEY

Bright Spots in News

Chicago.—Sheep Glands properly applied will restore hair to the baldest head, Dr. William Englebach, St. Louis declared. He said they did not fail in 10,000 cases.

New York.—Magistrate Frothingham today summoned the landlord of the court house building, Anthony Koebel, charging him with failing to provide sufficient heat.

Detroit.—John Reichman, city fireman told the court that his wife, Helen, taught his mother and father how to drink intoxicating liquors. John was granted a divorce.

Yonkers, N. Y.—For using his wooden leg for a weapon in a free-for-all fight Jacob Jones was sentenced to four months in the work house.

New York — Edward O'Conner, 17, was arrested as a bootlegger when he tried to sell a pint of "the best stuff" to a policeman for \$1.25.

Harold Lloyd in Comedy

See the New Corona first!

Before you buy a portable typewriter, compare it with Corona in these five important particulars

STEP into our store today and ask to see the New Corona.

Sit down at the keyboard, run your fingers over the keys. See how easy it is to write, even if you have never touched a typewriter before.

Then ask the salesman to show you how Corona fulfills these five essentials of a portable typewriter:

1. **Completeness:** Has every modern improvement, including Automatic Ribbon Reverse and Standard Portable Keyboard, Two-Color Ribbon, Back Spacer and Automatic Line Spacer. It is really an office typewriter in portable form.

2. **Convenience:** Weighs less than seven pounds, folds and fits into a neat traveling case. Writes visibly, without craning one's neck. Takes a No. 10 envelope. Easily holds its title as "The most convenient typewriter in the world."

3. **Durability:** Strongly, simply built, Corona is the only portable typewriter whose design and construction have been tested by sixteen years of service and by 500,000 users. There are more Coronas in use than all the other makes of portables combined.

4. **Speed:** The New Corona is built for swiftness. Its standard portable keyboard, with right and left shift keys, is the simplest of all typewriter keyboards and, therefore, the easiest to memorize and use. The action is sure, and swift, and easy. For the touch system, the keyboard is ideal because the hands never need to leave their original "positioning" on the keyboard.

5. **Value:** No typewriter, at any price can equal the conveniences of the New Corona. No machine, large or small, will do better, cleaner work, nor stand up longer in service—yet the price is still \$50 complete with carrying case.

HEAR THE WORD:—O earth,
earth, earth, hear the word of the
Lord.—Jeremiah 22: 29.

"Hauling Out" Road Taxes

Supporters of the good roads movement have become aroused over House Bill No. 90, that quietly slipped through the lower house of the Indiana legislature by a large majority, and are prepared to make a fight on it when it comes before the senate for consideration.

The bill provides for a return to the old system of "hauling out" road taxes—a system that was much abused, and under which taxpayers did not get the return on the money they invested in roads that they do now.

The bill legalizes the old practice whereby a farmer can haul gravel or any kind of material for roads in his township and get credit for it on his taxes. It provides that farmers shall receive in credit on the taxes they owe, the sum of \$3.00 a day for each day they haul, up to the sum of \$20.

This is the same law that was repealed by the 1919 session of the legislature and in its place was passed a law providing that farmers should be paid cash at the rate of \$4.00 a day for road work. Why this is not more satisfactory than receiving \$3.00 a day credit on taxes, opponents of the bill can not figure out, unless those behind House Bill No. 90 want to return to the abuses that were practiced under the old law, when in many instances the township did not get the benefit of the labor which was supposed to be performed.

TO RELIEVE PAIN AND BACKACHE

Women May Depend upon
Lydia E. Pinkham's Vegetable Compound

Minneapolis, Minn.—"I had heard so much about Lydia E. Pinkham's Vegetable Compound that when I realized I needed to take something to relieve my pains and backache, and to help build me up I began to take that. I had been sick off and on for years and barely weighed a hundred pounds, but now I have had such good results that I am recommending the Vegetable Compound to every one."—Mrs. J. J. BIEBER, 3939 18th Ave. South, Minneapolis, Minn.

Finds a True Friend
"Every woman who values her health should be proud to have a true friend like the Vegetable Compound," says Mrs. W. E. Shaw, 3227 Walnut Street, Chicago, Illinois. "I had female weakness so badly that I could not stand on my feet. Half of my time was spent in bed and I had pains in my back which were unbearable. I tried everything I could think of to help myself, and when a friend advised Lydia E. Pinkham's Vegetable Compound I began taking it at once. I recommend it without hesitation."

Mary Louise, daughter of Mr. and Mrs. Will Bliss, is suffering with an attack of mumps at the home of her parents in North Perkins street.

Prompted to action by the horrible accident at the Main street crossing a few days since, when Dr. O. P. Dillon met his untimely death, the city council last night in regular session passed an ordinance requiring the C. H. & D. railroad company to maintain a flagman at the Main street and Perkins street crossings each Sunday from 7:30 o'clock in the morning until 6:30 in the evening.

Miss Nora Stout and Bert Newkirk were united in marriage at the U. P. parsonage Tuesday afternoon, Rev. W. H. Clark officiating.

W. T. Simpson, agent of the L. E. & W. railroad who has been suffering with a severe attack of grip, at his home in North Jackson street is convalescing.

Mr. and Mrs. Milt Stiers have returned from a visit with friends in Indianapolis.

The Misses Bertha Eubank and Myra Beale has returned from Indianapolis where they attended the millinery openings.

Current Comment

Party Loyalty
(Toledo Blade)

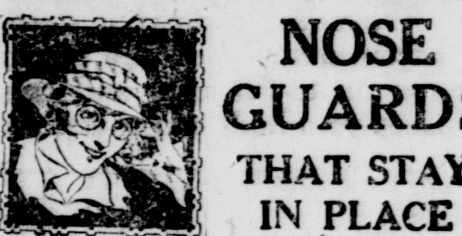

The men in public life who have been attracting the greatest amount of attention in recent months were elected as members of a party, allegiance to which they consider to be shameful. They were elected upon a platform which they have repudiated. To this practice Will Payne has given the name of weasel politics.

It is the custom to denounce party politics and to glorify political independence. Nevertheless parties are essential to our national system. They are so necessary that even those who denounce them most have suggested no substitute for them. Parties must perform the task of organizing campaigns, defining issues laying down the principles to which voters subscribe.

Now if an officeholder receives the benefits of party organization and runs upon a party platform he ought to give that party his loyalty not simply before election, but afterwards: he ought to stand by the platform while he has his credentials in hand no less than when he was seeking them. How otherwise can he be depended upon by the voters?

While national officers and lawmakers are chosen under the party system we cannot have each successful candidate, duly elected as a partisan, assuming later that his party tag means nothing and his party's blanks are sounding brass. That would be political chaos. *** President Harding is bending every effort to carry out campaign pledges plainly written in the party platform and endorsed by the largest vote ever given to a party. He is beset now by men of his own party who rejected the platform. Who shall the President take as guides and controls of his actions—the voters of 1920 or the insurgents of 1922-23?

The labor union leaders who were chosen to represent his organization at a meeting with employers and went over the employers' side of the case would cease forthwith to be a leader. His union would no more have him than it would a labor-baiter on its executive board. The commercial salesman who ignored the prices listed by his employer would be out of a job in no time. Loyalty is a necessity in human affairs, and loyalty to a party's principles is not to be expected.

NEW SALEM BOWS BEFORE ARLINGTON

High School Team is Defeated Saturday Night, 39 to 28, First Half Ending 20 to 15

ARLINGTON GIRLS ALSO WIN

The Arlington high school basketball team defeated New Salem Saturday night at Arlington, by the score of 39 to 28, in a game that was well played, and in which the Arlington team had things their own way at all angles. The first half ended 20 to 15.

The girls from the Arlington school also won out over the New Salem girls in the curtain raiser 26 to 24, and came from behind in the last few minutes to win the game. The first half ended 11 to 8 in favor of New Salem. The line-up and summary:

Arlington 39	New Salem 28
Nelson F	K. Wilson
Hill F	Wills
Priece C	King
Beckner G	Laforge
Lee G	H. Wilson

Substitutions: Summan for Hill, Stam for Wills. Field goals, Nelson 11, Priece 7, K. Wilson 4, Wills 4, King, Laforge. Foul goals, Nelson 3, K. Wilson 8.

The Arlington girls line-up was as follows: Ennis and Ridden, forwards; Gahimer, center; Winslow and Tweedy, guards, Zella Hutchinson went in for Ridden, Sharp for Winslow; New Salem as follows: Beaver and Emsweller, forwards; King, center; Stout and Matle, guards. Field goals Ennis 3, Ridden, Gahimer, Hutchinson 7, Beaver 2, Emsweller 5, King 4. Foul goals, Ennis, Beaver, Emsweller, Hutchinson.

Hittin' 'Em & Missin' 'Em

This is the last week before the basketball sectionals and practically every team will close their schedule of games this week, and rest next week for the sectionals. Rushville has two games on the week end. Connersville will be idle until the sectional, after their defeat Saturday night, 38 to 19, by Muncie.

RICHMOND GOES BIG

One of the biggest surprises of the week end games, was the defeat of Bedford by Richmond on Saturday night. Even Richmond had conceded the game to Bedford. It only strengthens Richmond's foothold on the state title. The game furthermore was played on the Bedford court.

ELWOOD WINS THE CUP

Elwood won the Tri-State tourney at Cincinnati, not having much trouble in taking the meet, and in defeating several teams from the three states. Although Moscow was their first victim, by the score of 24 to 7, yet Gosnell, the star performer for the Moscow team, was out of the contest, or the score might have been different.

TO PLAY TOURNEY OVER AT ARLINGTON

The independent tourney over at Arlington, ended in a dispute Saturday night, and the Connersville team was ruled out, because they played professional players. It means that three of the teams beaten by Connersville will have a tourney of their own Tuesday in order to see

who will play in the state meet, at Indianapolis, beginning Thursday.

WE NEED A MAN LIKE THIS

Nelson, forward on the Arlington high school team, was the big noise Saturday night, when the Arlington team downed New Salem, 39 to 28. The forward made 11 field goals and 3 fouls, or 25 of the points. Price, center, made the rest of the points.

Lowell Headlee, former Rushville high school player, has taken out a berth on the Arlington Athletic Club, and has been playing with the Junior team.

DRAWING TAKES PLACE ON SATURDAY

The drawing for the 48 sectionals will be made Saturday afternoon at Indianapolis. We're hoping that Rushville picks an easy run of games, but if we do, it will be the first time in years that we have been lucky.

Wouldn't it be fine if the state board would suddenly decide to change Connersville over to the Richmond district. It would give the Rush county teams a better chance.

NEWCASTLE FEELS CONFIDENT

Since Newcastle defeated Hartford City, they are about convinced now that they can win the sectional, which is composed of Henry county teams, Cadiz, Spiceland or Mt. Summit are looked upon as about as bad actors by the Newcastle team.

CAUGHT IN A ROLLING CHAIR

WELTERWEIGHT CHAMP AND BRIDE ON HONEYMOON

M. A. (Mickey) Walker and his bride, the former Miss Maude E. Kelley, of Brooklyn, N. Y., were caught while they were helpless in one of the rolling chairs down at Atlantic City, N. J., where the couple are spending their honeymoon.

Legal Boxing Now in Balance

By HENRY L. FARRELL

New York, Feb. 19.—Boxing all over the country in a large part, depends on what happens to the sport in New York. If the present period of unrest results in repeal of the Walker law, as has been threatened, it will mean simply that boxing can not and will not be a nice game. If the Walker law cannot make a decent sport of it, it is not a sport and it should not be conducted as such. The Walker law represents the thought and deliberation of wise and experienced minds. It covers every technical ground as no previous law ever has done. It controls every thing but the greed of boxers, managers and promoters and that is impossible to control.

After some sad experiences with Battling Siki, the French Boxing Federation said the sport needed closer supervision in Paris and that they were going to follow the lead of the New York boxing commission. New York is looked up to the same way in this country and if the game dies here, a lot of boxers will have to look around for some other line of business, as there will be little doing in the ring any place.

William Muldoon, chairman of the New York commission, has made

some mistakes. Some of his rulings have been the cause of mirth and ridicule, but he didn't make any mistake when he issued the edict that a boxer committing a foul would not be entitled to collect his purse. There has been only one foul committed since that edict.

Two members of the American Olympic team for 1924 have already been announced, Joie Ray and Bob McAllister have announced themselves as members of the track and field delegation that Uncle Sam will send to Paris. The boys are confident if nothing else. But the nice part about it is that the committee to pick the team no doubt will agree with them.

JOIE RAY

TRIUMPHS AGAIN

Joie Ray, of the Illinois A. C., who again made the dust fly, as he broke his own one mile and a half world's mark, when he won the Rodman Wanamaker Cup in a special race for the sixth time within the last seven years. His time was 6 minutes, 41.4-5 seconds. Thousands attended the Millrose Meet, at Madison Square Garden, New York, and the applause was thunderous when it was announced that Ray had created another world's record.

BLOW AIMED AT 5TH CARD IN STUD POKER

Nashville, Tenn., Feb. 19.—Along in the line with other sports the reform wave has at last struck at the great American game of stud poker.

The fifth card in stud poker is the latest thing that has caught the eye of the blue law forces.

In a bill Representative Walker Haynes, of Franklin County, Tennessee, says he is drafting to present to the legislature, the practice of drawing more than four cards in a stud poker game would be made a felony, punishable by the same penalty as provided by law for manslaughter.

The drastic need for a reform law of this character has caused him to start work on the measure. Representative Haynes said.

"The need for such a law is very great," he said. "They talk about liquor ruining our homes and heaping up graves. What really is needed is a law to abolish the fifth card in stud poker."

"No one can conceive the danger of the fifth card in stud poker. It has filled more almshouses and caused more beggars than all the liquor in the world. The fifth card by all means ought to be abolished."

"Four cards are enough in stud."

CONNERSVILLE RULED OUT OF THE TOURNEY

Professionalism Charge Upheld and Teams Defeated by Anstead's Will Play Again Tuesday

DISPUTE AT ARLINGTON

The remainder of the independent basketball tourney at Arlington will be played Tuesday evening, beginning at seven o'clock, when three teams that were defeated by the Connersville Anstead's will have to play their games over, on account of a protest filed by Fairview against Connersville being allowed to play and the result was the Anstead's were ruled out of the tourney by Wayne Ellman of Indianapolis, the referee. Professionalism was charged against Connersville.

The three teams that will have to play again are the Orange A. C.'s Arlington Juniors and the Arlington A. C.'s. The Saturday afternoon games resulted as follows: Arlington Juniors defeated Fairview 45 to 25; Connersville Anstead's defeated Arlington A. C.'s 36 to 25; and in the final game the Ansteads won from the Arlington Juniors, 52 to 36.

The winners of the Tuesday night game will play in Indianapolis at three o'clock Thursday, against the winners of the Portland sectional.

100 WAYS To Make Money

By BILLY WINNER

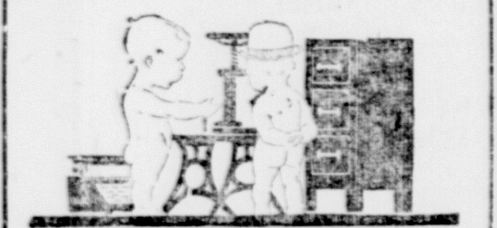

If I Were a Purchasing Agent—

I COULD easily make some money for my firm.

As the old machinery and equipment is displaced by the new, instead of letting the old material lie around and litter up the plant and office, I could sell it and convert it into usable cash. This applies to anything from a filing cabinet to a drill press.

There are many manufacturers and business men who can use just the equipment which has been displaced. They are looking for it. I'd simply run an ad in The Daily Republican, Classified Section and tell them what I had. They'd soon take it off of my hands for ready cash.

I could also make advantageous purchases through The Daily Republican, by advertising my wants. Thus I could also buy equipment at good prices.

W. E. BOWEN, Automotive Service
306 NORTH MAIN STREET PHONE 1364

The Phi Iota Xi sorority will hold a pitch-in supper at the home of Miss Phylliss Dean in North Main street Tuesday evening at six o'clock.

Mr. and Mrs. Robert E. Hinshaw of this city were the dinner guests Mr. and Mrs. William N. Hinshaw and Mrs. Mary Hill in Carthage Sunday.

The Tri Kappa sorority will be entertained tonight by Mrs. Paul Newhouse at the home of her parents, Mr. and Mrs. W. O. Frazee, in North Harrison street.

The Get-To-Gether club will be entertained Tuesday afternoon at 2:30 o'clock at the home of Mrs. Greeley P. Mauzy, in North Main street. All the members of the club are urged to attend this meeting.

A delicious pitch-in dinner was enjoyed Sunday at the home of Mr. and Mrs. Lote Carter in North Morgan street, when twenty guests assembled at their home and enjoyed the day with them.

The Auxiliary Club will be entertained Tuesday afternoon at the home of Mrs. Anna Higgs, 403 West Second street. All members are requested to bring aprons as there will be a sale at this meeting.

The Woman's Missionary Society of the First Presbyterian church will be entertained Tuesday afternoon at the home of Mrs. Charles Hinkle, 228 West Fifth Street. An interesting program has been prepared for this meeting.

Mr. and Mrs. Arthur Reynolds entertained with a prettily appointed dinner party Sunday at their home in Glenwood. Covers were laid for Mr. and Mrs. Fred Cochran of Newcastle, Mr. and Mrs. Will Trennepohl and Gladys Cregar of this city.

The Loyal Women's class of the Main Street Christian church will hold their regular monthly meeting Tuesday afternoon at 2:30 o'clock at the home of Mrs. Walter Conway 601 North Morgan street. All members are cordially invited to attend this meeting.

Mr. and Mrs. Glen Miller were host and hostess to a dinner party served at one o'clock Sunday at their home in East Second street. The guests were Mr. and Mrs. John Knecht of this city and Mr. and Mrs. Short of Knightstown.

The Loyal Daughters class of the Main Street Christian church will be entertained Tuesday evening at the home of the class president, Mrs. Ben Sparks, in North Perkins street. Mrs. Albert Allen and Miss Frances McMahon will be the assisting hostesses.

The Industrial Club will be entertained at the home of Mrs. J. C. Craig 223 East Eighth street, Wednesday afternoon at two o'clock. All the members are cordially invited to attend this meeting and are requested to come prepared to work on quilt blocks.

Mrs. Lydia Hurst was hostess to a delightful dinner party Sunday at high noon, at her home west of the city. The guests were the Rev. and Mrs. R. A. Urey and two nieces Dr. J. M. Walker, Mr. and Mrs. W. A. Mull and daughter Alvira, Mr. and Mrs. Harry Mull, Henry Maury, Herman Hurst and the Misses Nellie Jones and Ellen Louise Jones.

Mr. and Mrs. Lloyd Kinder delightfully entertained Saturday evening at their home in Raleigh, with a miscellaneous shower, honoring Mr. and Mrs. Raymond Dixon. The honored guests received many beautiful and useful gifts. The guests enjoyed the evening with games and contests and the hostess served refreshments of ice cream and cake.

The mid-winter party for the Elks club will be held Tuesday evening, and it promises to be one of the best social functions on the social calendar this year. Wright's Five piece orchestra of Columbus, Ohio, will furnish music for the dancers the hours being between nine and one o'clock. A special musical program has been arranged and the dance will be strictly invitational.

The League of Women Voters of Fairview Township, Fayette county,

met at the home of Mrs. Earl Ruff last Friday afternoon. The decorations for the home were in Washington emblems. Two speakers were on the program, Mrs. Ricord, who spoke on "Play and Play Grounds" and Mrs. Miller who discussed "Uplift of the Community." Refreshments were served by the hostess who was assisted by Mrs. Britt and Mrs. Hugh Beaver.

News was received here today of the marriage of Miss Edna Brondenberg of Glendale, Calif., formerly of Anderson, Ind., and Charles Carter, also of Glendale and a former Rushville boy. The marriage took place some time ago, but announcement of it was not received here until today. Mr. Carter is the son of Mrs. Victoria Carter of this city.

ESCAPES JAIL WITH THE AID OF OUTSIDERS

Continued from Page One
and Mayor Thomas placed his bond at \$2,000 on each charge, one for unlawful possession, and the other for possession with the purpose of a sale.

On account of painting a portion of the jail cells, the prisoners were divided Saturday, and Clevenger placed on the second floor. Hall, who was arrested on a charge of violating the liquor laws, pleaded guilty, and received a fine of \$100 and costs and a 90-day sentence, which was suspended by Mayor Thomas. This young man was implicated by Louis Dudgeon, who was arrested the day before on an intoxication charge, and pleaded guilty. "A borrowed" automobile of Willard Palmer was found just north of Rushville, and returned to the owner.

Hall was unable to pay the \$100 fine and costs, amounting to \$130, and he was sent to jail, and occupied the second floor with Clevenger. The other three, Raymond Foreman, Mier Dunn and Wayne Chandler, arrested Friday night, were on the lower floor of the jail. They are charged with conspiracy, and are unable to give \$1,000 bonds.

These men told Sheriff Hunt that they heard a machine on the outside of the jail during the night, and heard people whistling back and forth, but thought that it was the sheriff bringing in more prisoners.

The escape from jail was made by climbing over the high fence on the east side of the jail, in Perkins street and by placing a ladder to the middle window. The bars were sawed, and the escape made.

Hall told the sheriff when breakfast was served Sunday, that the prisoner had escaped, but stated that he didn't know anything about it until he awakened.

The jail has been frequently broken out of by prisoners and it is almost an annual affair to have saws smuggled in, or handed in from the outside, and for this reason, the high board fence was built last year around the jail.

It is the first time that the delivery was ever made from the second story. It is considered fortunate that all five prisoners were not on the same floor, because there would no doubt have been a wholesale delivery.

LEGISLATURE IN ITS LAST QUARTER

Continued from Page One
in road construction and repair. Still pending in house where it was introduced, and admittedly having small chances of approval.

6.—The bill drafted by the board of accounts adjusting the salaries of all county officials, affecting a general reduction except in the case of county recorders. The bill is still in the hands of Governor McCray who is a member of the accounts board, awaiting introduction.

The amendments to the appropriation bill would provide \$780,000 for power houses at Purdue University, the Muncie Normal School, and the Riley hospital; \$500,000 for the governor's emergency and contingent fund; and \$500,000 added to the amount for completing the reformatory at Pendleton in line with Governor McCray's recommendations. The house had lopped off the \$500,000.

It is expected the appropriation bill will come up in the senate this week with a majority committee report recommending the changes and then passage. The democrats on the committee, however, plan to offer a minority report recommending amendments drastically reducing a majority of the appropriations.

IS GIVEN 60 DAY RESPITE

"King" of House of David Allowed 2 Months to Answer Questions

Benton Harbor, Mich., Feb. 19— "King Benjamin" ruler of the House of David, today was granted a sixty day respite in the battle to prevent being hailed into court to answer questions requestions regarding his cult.

Judge L. D. DesVoignes in Cassapolis circuit court, gave Benjamin Purnell, "king" of the sect two months in which to answer the demand by attorneys for two former girl members of the cult, that he be forced to tell the inner secrets of the organization.

The two girls—Ruth Bamford Reed and Gladys Bamford Purnell are seeking \$800,000 damages from Purnell, alleging they were mistreated and forced to submit to immoral practices while under the House of David rule.

WILL CONFER THIRD DEGREE

Franklin Lodge Degree Staff Goes to Arlington Friday

The degree staff of Franklin Lodge No 35 I. O. O. F will confer the third degree at Arlington next Friday evening for Beech Grove Lodge No. 399 of that place. A large class of candidates will be given the work and a large attendance is anticipated.

The second degree will be given here at the next regular meeting Wednesday evening and the candidates from here will be taken to Arlington Friday evening to complete the degrees.

A rehearsal will be held this evening in preparation for this trip and the new paraphernalia recently purchased for this degree will be used for the first time.

EFFORT TO DEFEAT MOOREHEAD BILL

Continued from Page One
creased the membership from five, as provided in the bill, to six; three republicans and three democrats. The amendment was finally tabled by a vote of 24 to 22.

An amendment by Brown which would provide that at least three board members be from different townships was carried.

The strength of the measure was indicated again today when Senator Sweeney made a motion to discontinue further consideration. His motion was tabled by a vote of 28 to 17.

A majority committee report for passage of the bill requiring permits for the state department of conservation, for anyone taking sand from the Indiana shore of Lake Michigan was adopted by the senate. This bill was opposed by Senator Steel, who said it was being fought by citizens of Michigan City.

Senator Hartwell introduced a bill which would require persons fishing in their own county to have a license. A five dollar license for anyone trapping in Indiana would be required under a bill introduced by Senator Penrod.

Amendment of the chiropractor registration bill to include registration and licensing under supervision of the state board of medical registration with an addition of a chiropractor to the board, passed second reading in the house. It was introduced by Representative Gottschalk.

A motion of Representative Updike to table the amendment failed. The bill originally provided for a separate board.

The county unit school bill was changed by the state senate to make it apply only to rural communities even in the question of its adoption.

On motion of Senator Lambert, the senate adopted an amendment which would exclude residents of a city from voting for or against adoption of the system under which township trustees control of the school affairs would be abolished.

CALLED TO DOOR AND SHOT

Cleveland, Feb. 19—Carl Metta, a federal prohibition agent was called to the door of his home here today and shot and killed by an unknown man. The assassin also shot and injured Jon Sanserera, occupant of an apartment of the building who rushed into the hallway upon hearing the shooting.

STOCKHOLDERS TO MEET

The annual meeting of the stockholders of the Rushville Supply company will be held this evening at 7:30 o'clock in the assembly room of the court house, and all stockholders are urged to be present.

Old newspapers for sale, 5c per bundle at Republican office.

SOCIAL SECRETARY TO MRS. WARREN G. HARDING

KEEPS SOCIAL WHEELS MOVING FOR "FIRST LADY OF THE LAND"

Miss Laura Harlan, social secretary to Mrs. Harding, whose charm, tact and dignity have made her indispensable to the President's household. The daughter of the late Justice of the Supreme Court, John M. Harlan, of Kentucky, she has served as social secretary to Mrs. George W. Wickersham, wife of the Attorney General in the Taft Cabinet, later becoming Secretary to Mrs. Williams Phillips, wife of the Assistant Secretary of State as well as to Mrs. Frank Polk, wife of Under Secretary of State and Mrs. Norman Davis, whose husband was also in the State Department.

Lagrange — An ordinance forbidding the wearing of masks, robes or other forms of disguise has been passed by the city council.

MARRIAGE LICENSES

A marriage license was issued Saturday to Edgar Fleener, a mechanic of Fayette county, and Vivian Cupp, daughter of Mr. and Mrs. John Cupp of this city.

DEALERS SEE NO NEED FOR ALARM

Continued from Page One
to arrive at estimates as nearly correct as possible.

The first report of the Department of Commerce on sugar was issued on January 23, of last year. It predicted a production of 15,500,000, and final carryover at the end of the year of 1,000,000 tons. The second report issued on September 4, placed production at 17,490,000 tons consumption at 18,360,000 tons and the final carryover of 830,000 tons. The final figures showed production to have been 18,183,000, consumption 18,680,000 and the carryover 1,203,000 tons.

In compiling these reports officials in charge of the work explained, the production estimates of Willett & Gray were used, while the figures for the last report issued last week were checked up by official Government reports, and are believed to be more correct than the other two.

Production this year, according to the official estimate, will be 18,308,000 tons and consumption 19,035,000 tons, leaving a final carryover of 476,000 tons.

PLAN NEW TACTICS FOR SENATE VOTE

Continued from Page One
their moves in the two remaining weeks:

Twelve and thirteen hour sessions of the senate daily.

Strict exclusion of all other business.

Application of cloture, limiting debate, if all other measures failed.

Enlisting President Harding's aid for a final appeal to senators to quit filibustering and "play fair" with the rest of the senate by letting the bill be passed or killed on its merits.

DISARM GERMAN POLICE

Dusseldorf, Feb. 19—French troops surrounded the barracks at Essen Sunday and disarmed 400 German police.

BIRTHS

A baby girl weighing eight pounds was born to the wife of Verl Behout living a short distance east of Rushville, on Saturday.

FOUND HANGING IN GARAGE

Columbus, Ind., Feb. 19.—John Marshall Pherigo died late last night after he had been found hanging in his garage in a suicidal attempt. He was taken down still alive some time after he suspended himself in the air. It was said he was chief clerk in the post office had been despondent over ill health, beer and had been in mail service twenty-nine years.

FIRE LOSS OVER 8 MILLION

Indianapolis, Ind., Feb. 19.—Indiana's fire loss in 1921 totalled \$8,533,356, according to the National Board of Fire Underwriters today. Indiana stands fourteen among other states in fire loss.

Princess Marie of Belgium

TO WED HEIR TO ITALY'S THRONE

Princess Marie, of Belgium, who according to an official announcement from Rome, is betrothed to the Italian Crown Prince Umberto. It is expected that the royal wedding will take place very shortly.

The Business Began With a Newspaper Advertisement

"That first year we spent \$2,600 in advertising our new product in the newspapers of two cities and because advertising has been such a big factor in building up the business, we consider that our beginning."

So wrote a business man whose product is now a household word.

He had a new idea—a new article—a new style of merchandising—almost a new want to create.

The newspaper advertising gave him an idea of the public's response. It was favorable and profitable.

The rest was easy, and city by city the new idea was put across.

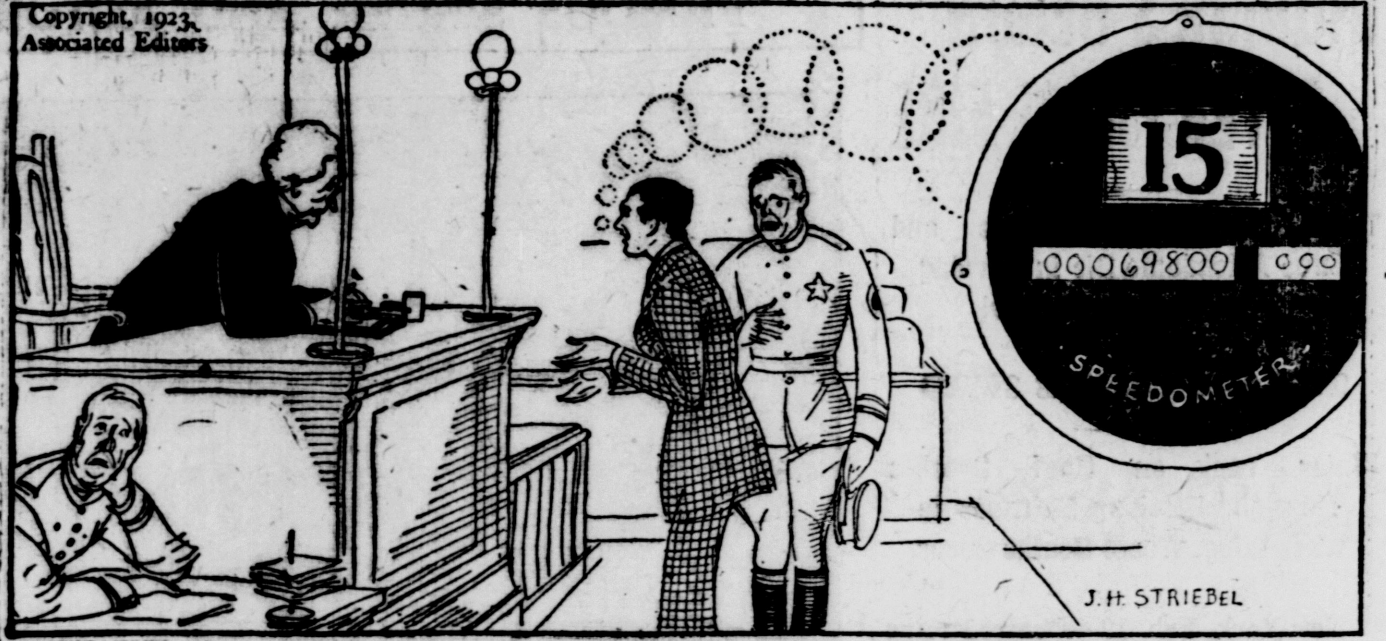

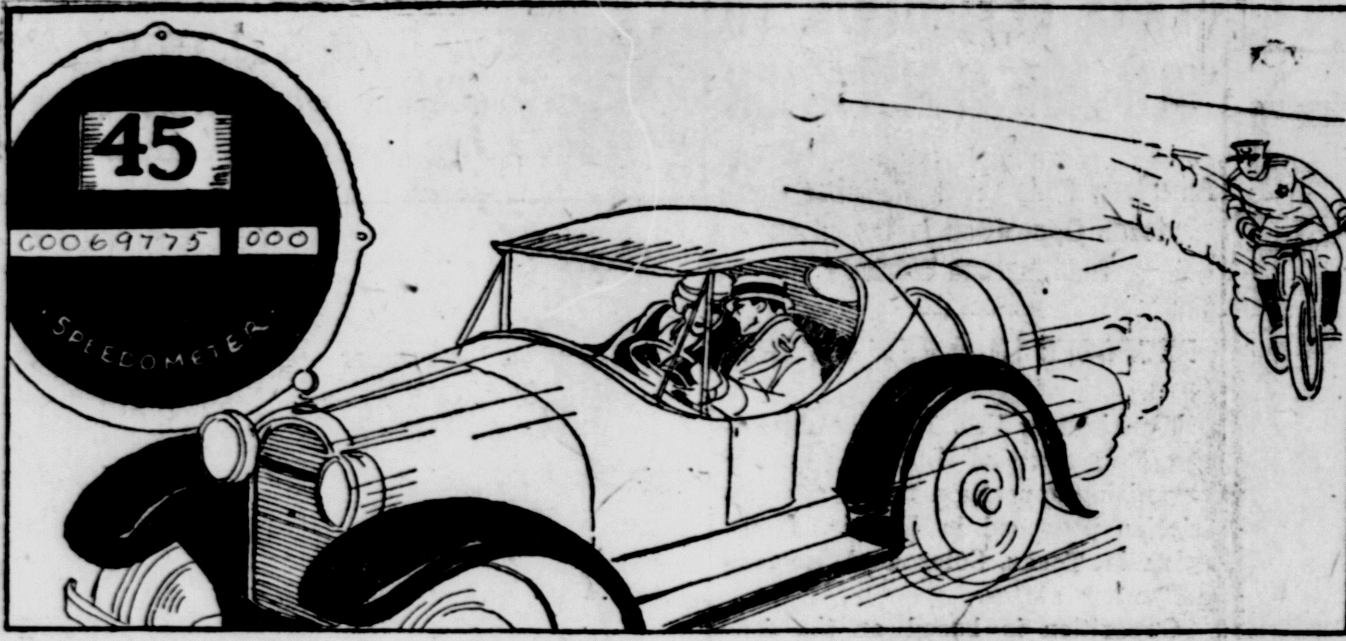

Today his company is a many million dollar concern and its advertising appropriation is counted by the hundreds of thousands.

Evening Daily Newspaper advertising properly planned and properly done pays from the beginning and returns increasing dividends year after year.

THE HOME GARDEN

What is Home without a Garden?

PLANNING FLOWER PLANTINGS

Planning a flower garden is a more difficult and complicated task than laying out a vegetable garden. In the vegetable garden straight rows to each variety give the ideal plan. It is quite the opposite for a flower garden or flower border.

Either formal beds of geometrical outline or informal plantings may be used. Then, too, most important of all is the color plan. The placing of the various hues in harmonious association or in pleasing contrast is a problem for close study.

If the flower garden is to be formal, lay out the beds in squares, circles, rectangles, or any shape desired, which is fitted to secure artistic and economic utility of the space at hand. These can be drawn to scale easily enough and no great difficulty in transferring the plan from the ground exists.

If an informal border or long bed of many varieties is desired—and this is one of the most popular methods, particularly along walks and boundaries—planning is much more of a task. Paper ruled off in squares of one-tenth of an inch with heavier inch rulings is desirable for this job. First decide whether the border is

to have straight lines or whether it is to be of irregular edge, with gently curving lines, this being the most artistic method and lending greater variety and grace to the planting. With the ruled paper draw this outline to a scale of one tenth of an inch to a foot, after measuring the ground with a tape measure. Then mark off the space you desire to give to each colony of annuals. The little squares on the paper will readily show you the outline and dimensions of the space.

In transferring the plan to the border, the ground may be ruled off with a tennis marker, or with strings to correspond with the plan. This trouble is necessary only when the border is of such extent that it is difficult to judge by the eye alone of relative distances.

Study the height that plants grow, placing the tallest at the back, occasionally letting a tall colony extend to the front to break up monotony of outline. The low-growing plants naturally belong on the edges. Consult the seed catalogues or packets for the proper distance apart that the various annuals should be space and draw your plan accordingly. Raise plants sufficient for your plan with a reserve in case some of them should die or fall victim to insects. Then you can fill any gaps readily.

The extra reserve is also necessary in the case of some varieties which produce a percentage of "rogues", which are off color or single. Such undesirables may be removed when they appear in the border and their places be supplied with perfect plants from the reserve. This is of prime importance, as inferior specimens often ruin the effect of a planting.

INQUIRIES BEGUN AFTER FATAL FIRE

Twenty-two Insane Patients and
Three Attendants Die in Burning
of Manhattan Hospital

OVER 1700 INMATES SAVED

Water Tank on Roof Crashes
Through, Blocking Entrance to
West Wing, Where Deaths Occur

New York, Feb. 19.—Charred ruins of the west wing of the Manhattan State Hospital, when twenty-two insane patients and three attendants who gave their lives in vain efforts to save their charges perished by fire yesterday, were searched today by investigators seeking to fix blame for the tragedy.

Six inquiries were under way into the blaze which swept the top floor of the Wards Island Asylum and trapped the helplessly insane victims and the men who gave their lives in line of duty.

Initial blame for the tragedy was officially attributed to blasting at Hell's Gate, some distance away, which may have dislodged electrical connections in the hospital and caused crossed wiring from which the fire is believed to have resulted.

Starting in the ceiling of the fourth ward, where maniacal and suicidal patients were kept, the fire ate its way downward early yesterday morning while attendants rallied to the call, sought to get out the madmen, most of them becoming completely helpless as the fire grew. It was like trying to get frightened horses out of a burning barn.

Patients given unnatural strength by terror, plunged about in the ward which was rapidly choking up with

FAMOUS SINGER AND ACTOR

WHEN HAPPINESS REIGNED
Geraldine Farrar, famous singer and Lou Tellegen, famous actor, photographed before storm and strife marred their marital happiness.

smoke, while red flames seeped through cracks in the ceiling.

"Early breakfast" was the call that brought many from their cells. Nurses and attendants succeeded in getting out 1,700 patients from other parts of the hospital not immediately threatened.

In the fourth ward, however, the flames had gained too much headway and while attendants still struggled

with insane patients who refused to be saved, a huge water tank that had been on the roof crashed through the fire weakened ceiling, blocked the entrance to the burning wing and all but two of those within perished.

Acting Mayor Murray Hulbert, the fire department, state Hospital Commissioner Haviland, Captain Arthur Carry of the suicide squad, Attorney General Carl Sherman and Chief Medical Examiner Norris began separate inquiries today into the disaster.

Inadequacy of fire fighting apparatus on the island was admitted by officials.

Income Tax Facts

NO. 15.

Bad debts constitute a considerable item in the returns of many taxpayers and may be treated in one or two ways: (1) by a deduction from income in respect of debts ascertained to be worthless in whole or in part, or (2) by a deduction from income of an addition to a reserve for bad debts. When satisfied that a debt is recoverable only in part, the Commissioner of Internal Revenue may allow such a debt to be charged off in part. Partial deductions are allowed with respect to specific debts only. The taxpayer must be able to show with a reasonable degree of certainty the part that is uncollectible.

Where a taxpayer, as a matter of established business practice, sets up annually a reserve for bad debts, reasonable additions to such reserve during the year, in the discretion of the commissioner, may be deducted. In such case, debts written off on the books of a taxpayer must be charged against this reserve, and must not be claimed as a deduction from gross income unless the debt was outstanding on December 31, 1920.

Taxpayers who adopted either of the two methods for the year 1921 must use the same method for the year 1922, unless permission to change is obtained from the Commissioner of Internal Revenue.

A taxpayer using the reverse method should include in his return a statement showing the volume of his charge sales (or other business transactions) for the year, the percentage of such reserve to such amounts, the total amount of notes and accounts receivable at the beginning and end of the taxable year, and the amount of debts ascertained to be worthless and charged off against the reserve account during the taxable year.

Bad debts can be deducted only for the year in which they are ascertained to be worthless and charged off the books of the taxpayer. The taxpayer should attach to his return a statement showing the propriety of any deduction claimed for a debt.

PLANS OPPOSITION TO OLD AGE LEGISLATION

American Federation of Labor Con-
tends Opposition is Based on
Robbing the Workers

PROPOSED IN A FEW STATES

Washington, Feb. 19.—The American Federation of Labor is quietly organizing opposition to old age legislation proposed in Illinois, Pennsylvania, Texas, Colorado, Wisconsin and other states.

Opposition is based on the contention that "such doles would rob the workers of initiative" and the will to make their old age secure from poverty.

Pensions under the proposed measures would range from \$25 monthly to citizens over sixty in Texas to \$1 per day to citizens over 70 years old in Pennsylvania.

To qualify for pension the applicant must show ten years or more of useful service to the state in which he applies for such aid and prove poverty.

While the federation of labor is opposed to the principle of the proposals, it nevertheless realizes the strong appeal it has to many workers and therefore is prepared to compromise by making such aid of national character. If pensions are offered by only a few states the flow of workers will be to those states, depriving others of their needed labor requirements, leaders of the federation hold.

Adults Learn Lessons In Thrift From Their Children

Terre Haute, Ind., Feb. 19.—Adults of Terre Haute are learning a lesson in thrift from their children.

Almost \$60,000 saved in dimes, nickels and pennies was deposited in the school savings bank account.

Carrying their pennies right past stores that offer candy and delicacies so dear to youth, the children go direct to the school bank and deposit their money.

The bank is conducted by school authorities as a means of encouraging the kids to save. For those pupils who have no money and no means of obtaining any, teachers find small tasks for them to perform.

Tiny Eileen Neechaum who brought her bank book and money from kindergarten said she earns her money by "helping mother at home."

Russell Paine boasted that he has saved more than \$15 this term, most of which he has earned.

Blackheaded Pimples Quit With S. S. S.

Why? Pimple-Poison Goes When Red-
Blood-Cells Increase! S. S. S.
Builds These Red-Blood-Cells.

You can be sure of this, nature has no substitute for red-blood-cells. Pimple-poison can't live in the red rivers of your blood as long as there are enough rich red-blood-cells in it. More red-blood-cells!

The shame of a blemished face!
That is what you need when you see pimples staring at you in the mirror. Black-headed pimples are worse! Eczema is worse yet! You can try everything under the sun—you'll find only one answer, more cell-power in your blood! The tremendous results, produced by an increase in red-blood-cells is one of the A. B. C.'s of medical science. Red-cells mean clear-pure rich blood. They mean clear, ruddy, lovable complexions. They mean nerve power, because all your nerves are fed by your blood. They mean freedom forever from pimples, from the blackhead pest, from boils, from eczema and skin eruptions, from rheumatism impurities, from that tired, exhausted, run-down feeling. Red-blood-cells are the most important thing in the world to each of us. S. S. S. will build them for you. S. S. S. has been known since 1826, as one of the greatest blood-builders, blood-cleansers and system strengtheners ever produced. S. S. S. is sold at all drug stores in two sizes. The larger size bottle is the more economical.

MISS GLADYS STUDLEY, beautiful New York society girl, who gives Tanlac full credit for her remarkable return to health.

Miss Gladys Studley, a beautiful and popular society girl, residing at 430 West 119th street, is among the thousands of New York City people who are praising Tanlac for the return of their health, strength and happiness.

"For three years past," said Miss Studley, "I have been in a very badly run-down condition and, when I began taking Tanlac, I had little hope of ever being my normal self again. My nerves were so undone that at times I could not keep back the tears. Some days I enjoyed my meals and other days I simply had to force myself to eat. I had no energy and the least exercise would leave me completely exhausted. My complexion was becoming sallow and rough and I just seemed to be getting old before my time. Things had be-

come almost unbearable and my whole system seemed to be crying out under its burden of ill health.

"Well, it wasn't many days after I began taking Tanlac until I knew I was on the right road to recovery. My appetite increased, my tired feeling began to leave, my nerves steadied down and before long I was feeling like an entirely different person. My complexion is even better now than it ever has been and everyone is asking me what has brought about such a great change. I am so grateful for the way Tanlac has helped me back to health that I never lose an opportunity to recommend it. It certainly is grand medicine".

Tanlac is sold by all good druggists.

WEEKLY STORE NEWS From ALLEN'S

What shall I have for dinner? It is perplexing at times not to be able to think of something different for a meal and when we are asked this question (which is quite often) if the articles we mention do not appeal to the lady we suggest that she come to the store and look around for a few minutes. There are so many things displayed on our shelves that are "just a little different" that it makes the planning of a meal easy.

The sugar market is in a very unsettled state. We feel that the present condition is not justified by facts. The advances of last week were caused by reports of a shortage in the raw sugar crop. From information that we are able to get from government reports and trade papers there is almost as much sugar available for this year as there was last year. If folks will not get excited and will buy in small quantities just as needed there is no danger of extremely high prices but if everybody rushes in and tries to buy all the sugar in sight they will be playing directly into the hands of the speculators who are responsible for the present flurry and the increased demand will be used as an excuse to boost prices higher. If sugar prices should get sky high the consumer will be the cause of it.

Next week is National Canned Goods week. In our ad next week we will have special prices on many articles that will make it worth your while to stock up for the rest of the canned goods season. We sell Fresh Milk for 10c per Quart. What do you pay?

ESCAPES JAIL WITH THE AID OF OUTSIDERS

Wilbur Clevenger, Arrested Saturday
on Liquor Law Violation Charge,
Saws Way Out

FOUR OTHERS IN THE JAIL

Earl Hall, Also in Jail For Violating
Liquor Laws, Denies Knowledge
of the Delivery

ON FLOOR WITH CLEVENGER

Three Prisoners on First Floor Tell
Sheriff They Heard Automobile
Outside the Jail

A jail delivery, sponsored by aid from someone on the outside, freed Wilbur Clevenger early Sunday morning, when the bars over the window on the second floor were cut, and the prisoner made his escape down a ladder erected by the assistants from the outside.

Clevenger was arrested Saturday afternoon by officers on a charge of bootlegging, and had gone to jail upon default of \$4,000 in bonds, after having entered a plea of not guilty to two liquor charges in police court.

Four other prisoners in jail did not escape. Earl Hall, who occupied a cell on the same floor, slept through the affair, and the other three prisoners were confined in the cells on the first floor of the jail.

No effort was being made today to capture the escaped prisoner, because the charge would not justify an expense of tracing him down. It is said that the officers have a good idea as to the outside help.

Clevenger was arrested Saturday afternoon, following a raid at his residence at the corner of Palo Alto street and Buena Vista Avenue, where the officers said they found almost 5 gallons of white mul.

Mrs. Alice Clevenger, his wife, also was arrested on a charge of unlawful possession, because the liquor was found in their home, and she was permitted to go on \$100 bond.

Officers S. L. Hunt, Ed Spradling, Russell Glendinning and Police Chief Blackburn, conducted the search, and Clevenger was arrested in a pool room downtown, and according to Sheriff Hunt, he had a small quantity of the liquor in a bottle, when arrested.

He was arraigned in police court, and denied possession of the liquor

JOHN M. HITTLE DIES, CORONER IS CALLED

Well Known Resident Of Falmouth
Neighborhood Expires This Morn-
ing Of Heart Disease

HAD BEEN IN POOR HEALTH

John M. Hittle, a well known resident of Falmouth neighborhood, expired suddenly this morning at his home between Falmouth and Fairview, death being caused probably from heart trouble. The deceased was 58 years old.

Mr. Hittle had been in poor health for a week, suffering with a severe cold, which bordered on pneumonia, although his condition was not regarded as being serious. He was found dead about six o'clock this morning, while building a fire and County Coroner J. M. Lee was called. He was engaged as a paper hanger and painter in his neighborhood. Besides the widow, he is survived by one son, Fred Hittle. Two brothers, Arthur Hittle of Indianapolis and Homer Hittle of Los Angeles, also survive, besides two sisters, Mrs. Daisy Kirkpatrick of near Falmouth and Mrs. Ossie Hinman of Texas.

The funeral services will be held Wednesday afternoon at two o'clock at the Fairview church, and burial will be made in East Hill cemetery, Rushville.

MAKE RESERVATION AT ONCE

Those Expected To Attend Charity
Card Party Urged To Act

Those who expect to attend the charity card party that will be given at the Elks club rooms Wednesday afternoon by the Psi Chi Xi sorority are urged to reserve tables at once as the managers of the party are anxious to know at once how many players may be expected. It is necessary to call phone No. 1261 or 1821 to reserve tables. Some card clubs have reserved tables for their members who will progress among themselves. Both bridge and five hundred will be played.

The proceeds from the card party will go to the school lunch fund that is being sponsored by the Rushville Woman's Council.

EFFORT TO DEFEAT MOOREHEAD BILL

Opponents Of Measure Prohibiting
500 Mile Auto Race Made
Counter Moves

TWO BILLS ARE INTRODUCED

One Would Give Mayor And City
Council Of Indianapolis Power
To Designate Holidays

(By United Press)

Indianapolis, Ind., Feb. 19.—Strenuous efforts to defeat the intentions of the Moorehead bill which would prohibit the annual five hundred mile automobile race and other commercial sporting events throughout the state on Memorial day were launched by opponents of the measure today.

Anticipating passage of the Moorehead bill by the legislature they introduced a measure in both senate and house, empowering the mayor and city council of Indianapolis to designate legal holidays. The theory of the bill is that a legal holiday may be designated for holding the speedway race which under the Moorehead bill could not be held here Memorial Day.

The new bill was introduced in the senate by William E. English and Winfield Miller and in the house by Asa Smith all of Indianapolis. Another bill providing that Memorial Day shall be the last Sunday in May is pending in the senate.

The speedway bill is ready for final consideration in the house where a test vote indicated it will pass. The senate already has approved it.

Many amendments were attached to the bill introduced in the senate to make the country the unit of education in Indiana and take away all school authority from the hands of township trustees.

An amendment introduced by Senator Brown would require members of the county school boards to have at least thirty-six weeks of normal school training and be a high school graduate, was adopted. Another amendment by the same senator which would require the county superintendent to be a high school graduate and have teaching experience, was tabled.

A fight occurred when Senator Harmon introduced an amendment designed to take the county boards out of politics. He would have in-

PLAN NEW TACTICS FOR SENATE VOTE

Adherents of Ship Subsidy Bill Will
Resort to Mail First to Get The
Bill Through

MIDDLE ROAD COURSE FAILS

Majority of Senate is Prepared to
Vote For Measure if Filibuster
is Defeated

By LAWRENCE MARTIN
(U. P. Staff Correspondent)

Washington, Feb. 19.—The "crucial hour" in the filibuster against the ship subsidy bill drew near today as administration leaders got ready to use the mailed fist tactics on the bill's opponent.

Senator Jones' plan of trying to placate everybody and thus insure in the end unobstructed consideration of the subsidy bill has been admitted by party leaders to have failed, and, after one more effort today to line up senators by diplomacy, they will switch to rough and tumble parliamentary measures if the filibuster group shows no signs of relenting.

The situation today was:

A majority of the senate is prepared to vote for the passage of the subsidy bill if it is allowed to come to a vote. The bill would pass with a margin of four to six votes were it voted on today. But its opponents, including Democrats and Republicans, said they would never permit a vote. A great many of the Democrats who originally supported the filibuster, were ready to abandon it and permit a final vote if they could get two amendments added to the bill—one limiting appropriations under it to one year and another providing the subsidy should go principally to freight vessels. Senator Jones, in charge of the bill, said he would rather have no bill than one with those provisions.

Among those who will vote for the bill as a matter of party loyalty if ever it comes to a final vote were several who hoped they would escape that vote. They would include Senator Watson of Indiana, administration leader who has repeatedly told Mr. Harding that the legislation was unwise.

Senator Brookhart, one of the new crop of progressives, said he would be as unyielding as President Harding and that he had a mandate from 300,000 Iowans to oppose the subsidy. Brookhart said nothing would make him quit filibustering even if he had to talk the bill to death, unaided.

In the midst of much confusion, Jones and party leaders planned

BREAK IN COLD WAVE IS PREDICTED TODAY

New Record For Winter Established
Early Sunday Morning When Mer-
cury Goes One Below Zero

WARMER AND SNOW TONIGHT

Warmer weather was in sight for tonight and Tuesday according to the predictions, and in all probability, the extreme cold spell which swept this part of the country last week, will be dispelled. The coldest weather of the year was recorded Saturday night when the mercury fell to one degree below zero, according to the government thermometer in charge of Elwood Kirkwood at Mauney.

The mercury dropped to about 12 above last night, but today it was gradually going up, and cloudy weather was predicted, with a light snow tonight, and with warmer weather Tuesday. The coldest expected to be reached tonight was 20 to 25 degrees above zero.

Washington, Feb. 19.—A definite break in the cold wave of the past week will occur tonight in nearly all the territory east of the Mississippi, the weather bureau forecast today. Warm weather tonight and Tuesday was the forecast.

DEALERS SEE NO NEED FOR ALARM

Rushville Grocers Conversant With
The Situation Say Sugar Shortage
Is Not Imminent

SHORTAGE IS PREDICTED

Pointed Out, However, That 1,203-
000 Ton Carryover From Last
Year Will Meet Demands

The rise in the price of sugar, which was attributed to a statement by the United States department of commerce last Friday to the effect that there would be a shortage of 750,000 tons of sugar this year, threatened to bring about once more the hectic conditions that existed in the sugar trade in 1920, but the fear of a shortage has been allayed by a supplementary statement of the department of commerce that there is no occasion for alarm because the 1,203,000 ton carryover will more than offset the estimated shortage for the year.

Local dealers who have acquainted themselves with the situation say that there is no need of consumers becoming panicky because if they rush into the market and try to buy up a year's supply, they will further inflate prices and cause trouble for all consumers as well as the whole sales and retailers.

Some Rushville dealers have positively refused to sell large quantities of sugar to their trade, assuring their customers at the time that there is no need of becoming alarmed because the carryover from last year will more than take care of the shortage predicted for this year.

Commenting on the sugar survey issued by the Department of Commerce on February 9, in which it was predicted that consumption this year would exceed production by more than 700,000 tons, the Secretary declares that there is no cause for alarm in the situation because of the 1,203,000 ton carryover from last year's crop. This will leave a surplus of 467,000 tons at the end of the year, he said. While this is less than one third the carryover of the past two years it is believed that the supply will be ample when invisible stocks are taken into consideration.

Mr. Hoover explained that the survey was the third semi-annual report of the Department of Commerce on the sugar situation, and the other two reports proved, finally to be very nearly correct. He said the surveys are painstakingly compiled from the foreign representatives of the department with only one view in mind

PROTEST MADE OVER NEW'S APPOINTMENT

President Told Majority Of Repub-
lican County And District Chair-
men In State Are Opposed

REP. WOOD SEES HARDING

(By United Press)

Washington, Feb. 19.—Protest against the appointment of Harry S. New, of Indiana, as postmaster general was made to President Harding today by Representative Wood, Indiana, in behalf of the republican organization, of that state.

New is to succeed Postmaster General Work if the latter is selected to head the department of interior when Secretary Fall retires March 4 according to present plans.

Wood said that his opposition was not personal, but that he was expressing the wishes of the state organization in Indiana. It was said that ten out of the thirteen members of the state republican committee and sixty-five percent of the county chairmen were opposed to elevating New to a cabinet position. "Senator New crawled in his tent after a defeat in the Republican primary," Wood said, "and withheld co-operation in the republican campaign that the organization thought proper."

EVIDENCE HEARD BY JUDGE

Case of Ferris Et Al Against Brier
Et Al. in Court Today

Circuit court this morning was taken up with the case of B. Ferris, et al., against Samuel W. Brier, et al., on the plaintiff's case for money had and received and for an accounting and damages. The evidence was given, and the matter taken under advisement by Judge Sparks.

The jury which has not been used in this term of court, and was scheduled for a case Tuesday, was again called off and told to report next Monday. Indications are that the jury will be used every day during next week, excepting Saturday. Several court matters will be taken up this week without the jury.

GERMAN SABOTAGE GIVEN THE BLAME

Held Responsible For at Least Two
Wrecks in The Rhineland Over the
Week End

SCORES OF LIVES LOST

Open Resistance, With Occasional
Violence, Marks Change in Atti-
tude in the Ruhr

(By United Press)

A score of lives were lost in railroad wrecks in France and the Rhineland over the week-end, and at least two instances German sabotage is held responsible. Wrecking of the Paris-Nancy express with 16 reported dead and 38 injured, occurred near Rhims and apparently had no connection with the Ruhr invasion but French and Belgian trains were derailed near Dalhausen with loss of four lives.

Open resistance, with occasional violence, marked a change in the Ruhr's attitude. A French soldier was shot at Gelsenkirchen and a sentry ambushed at Westenhausen. German ministers openly broke the blockade forbidding them to occupied territory.

Disarming of Ruhr police was started with a round up of 400 at Essen.

Washington, Feb. 19.—France is sending additional troops into the Ruhr to put down German resistance and German sabotage, the French embassy announced today. The reinforcement include a French colonial regiment, this being an admission that colored troops were being employed in the Ruhr operations.

Colonel Dumont, the French military attaché, in making the announcement today declared that the additional troops would aggregate about 5,000.

Essen, Feb. 19.—Fighting between French soldiers and German policemen in different parts of the Ruhr was reported today and the situation seemed to be drifting towards guerrilla war. A German policeman shot and wounded a French soldier at Gelsenkirchen, the latter returning the fire, wounding the policeman.

Feeling through the occupied areas became extremely bitter this clash coming a few hours after a French officer was found dead, believed slain by German policemen here. Several other clashes between police and troops were reported.

Dalhausen, Feb. 19.—Three French were killed and more than 30, including a number of women and children are reported injured, when five coupled engines were sent crashing into the rear of a French engineers train between Weitmar and Dalhausen.

Signals on the line failed to work it was reported, the French blaming sabotage.

One Belgian soldier was killed and a number wounded when a Belgian train hit a French supply train at Crefeld, between Aix-La-Chapelle and Dublin.

Death sentences will be immediately inflicted upon those found responsible, it was announced and the French and Belgians are taking extraordinary precautions throughout the Ruhr to prevent further accidents.

LEGISLATURE IN ITS LAST QUARTER

Confronted By Volume Work Equal
To That Completed During The
Session Thus Far

500 BILLS AWAIT ACTION

Appropriations And Soldier Bonus
Will Drift Into Closing Hours
For Quick Consideration

(By United Press)

Indianapolis, Ind., Feb. 19.—Swinging into the last quarter of the sixty-one day session, the legislature today was confronted with a volume of work equal to that completed during the session thus far. Leaders predicted that many pending bills would fail with sine die adjournment March 5.

Some 500 measures are waiting final disposition.

Chief among them is the appropriation bill, which has been increased nearly \$2,000,000 by the senate finance committee from the \$16,000,000 total approved by the house of representatives.

It appeared certain that the appropriations and the soldier bonus will drift into the crowded closing hours and receive hurried consideration. The bonus, which has passed the house and is awaiting senate action, would cost the state \$20,000,000.

Thus the legislators, in trying to clean their slate before the final gavel falls, will be called upon to dispose of at least \$36,000,000 of public money in a rush of work, in addition to the expenditures incurred in other proposed legislation.

Besides the bonus and appropriations, these important bills await consideration.

1.—Bill to prohibit the annual 500 mile automobile race and other commercial sporting events in Indiana on Memorial day. Passed the senate and ready for passage in the house with test votes indicating approval.

2.—Senate bill putting motor trucks and busses under control of the public service commission. Pending in the house.

3.—House bill to lift the war ban against teaching of the German language in high schools. Pending in the senate. A similar measure relating to elementary schools is still in the house.

4.—Governor McCray's proposal that the administration of school affairs be on a county-wide instead of a township basis. Pending in the senate where it originated.

5.—Administration measure to establish a tax of two cents on each gallon of gasoline, the proceeds to be used by the highway commission

ANOTHER DEATH IN INSANE MURDER ORGY

Marjorie Langley Dies From Wound
Inflicted By Father Who Killed
Wife And Son

THEN COMMITTED SUICIDE

Richmond, Ind., Feb. 19.—Another death was added today to the insane murder orgy of Wilson Langley, 43, who killed his wife and his 3-year-old child and then committed suicide.

Marjorie, 9-year-old daughter, died from bullet wound in her head.

Friends of the family started an investigation in behalf of three children who were left orphans by the tragedy. Langley often spoke of a \$40,000 estate and of a wealthy mother in England.

Oscar, 13, discovered the three lifeless bodies and his wounded sister when he went downstairs. Each had a bullet hole in the head. Oscar called Horace, 11, and they summoned a doctor, meanwhile trying to revive Marjorie by first aid treatment.

Marie, 8, was the other surviving child. The shooting occurred at the Langley home in New Paris, O., a few miles east of here.

Attend the FARMERS' EXPOSITION

To be held in the Manufacturers' Building, State Fair Grounds, Indianapolis, all week

FEBRUARY 19-24, 1923

Auspices Indiana Board of Agriculture, and Sponsored by All Farmers' Organizations of the State

FARM EXPOSITION TO OPEN TONIGHT

Exhibits Representing Every Phase Of Farming Industry Shown At State Fair Grounds

LECTURES ON THE PROGRAM

Thousands Of Farmers And Members Of Their Families Expected To Attend This Week

(By United Press)

Indianapolis, Ind., Feb. 19.—Gold fish and cider, bees, trees and tea will all be in evidence when the Indiana Farmer's Exposition the first of its kind in the state, opens at seven o'clock tonight at the state fairgrounds. Lectures by members of the department of agriculture extension at Purdue and exhibits representing every phase of the farming industry have been included in the program.

Thousands of farmers and members of their families and many city people who are interested in rural life are expected to attend.

Each forenoon of the exposition will be taken up in inspection of the exhibits and round table discussions. Tuesday afternoon has been set aside for consideration of livestock problems, including lectures on sanitation, production and marketing. F. G. King, of Purdue secretary of the Indiana Livestock Breeders Association and president of the American Society of Animal Production will give the principal talk.

In connection with this, diseases in cattle and swine and measures for control and eradication will be presented in an exhibit planned by the state livestock board.

The various days have been assigned for various subjects of farm life. Goldfish from the Grassy Fork Farm and poultry from the White Hill Poultry farm will be shown along with posters and charts showing the acreage devoted to the growth of peaches, grain, melons and livestock.

There will be booths for women, containing hints on decorations, recreational work including the making of party favors and frocks and party gifts in wax.

WHY SUFFER SO?

Why suffer from a bad back, from sharp, shooting twinges, headaches, dizziness, and distressing urinary ills? Rushville people recommend Doan's Kidney Pills. Could you ask for stronger proof of merit? Mrs. W. A. Wylie, 824 N. Arthur St., Rushville, gave the following statement September 30, 1915: "My trouble began with a clutching digging pain directly across my kidneys and over my hips. The pain was terrible and I had to be given pain-easing tablets by the doctor to relieve it. I was unable to do my housework for a week and was in misery. Others of my family had taken Doan's Kidney Pills with excellent results so I began using them. I did not have to use a whole box before the pain let up and soon disappeared."

On November 4, 1920, Mrs. Wylie said: "I still have the same high opinion of Doan's Kidney Pills. I haven't had to use them lately as my cure has been a lasting one." 60c, at all dealers; Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Harold Lloyd in Comedy

See the New Corona first!

Before you buy a portable typewriter, compare it with Corona in these five important particulars

STEP into our store today and ask to see the New Corona.

Sit down at the keyboard, run your fingers over the keys. See how easy it is to write, even if you have never touched a typewriter before.

Then ask the salesman to show you how Corona fulfills these five essentials of a portable typewriter:

1. **Completeness:** Has every modern improvement, including Automatic Ribbon Reverse and Standard Portable Keyboard, Two-Color Ribbon, Back Spacer and Automatic Line Spacer. It is really an office typewriter in portable form.

2. **Convenience:** Weighs less than seven pounds, folds and fits into a neat traveling case. Writes visibly, without craning one's neck. Takes a No. 10 envelope. Easily holds its title as "The most convenient typewriter in the world."

3. **Durability:** Strongly, simply built, Corona is the only portable typewriter whose design and construction have been tested by sixteen years of service and by 500,000 users. There are more Coronas in use than all the other makes of portables combined.

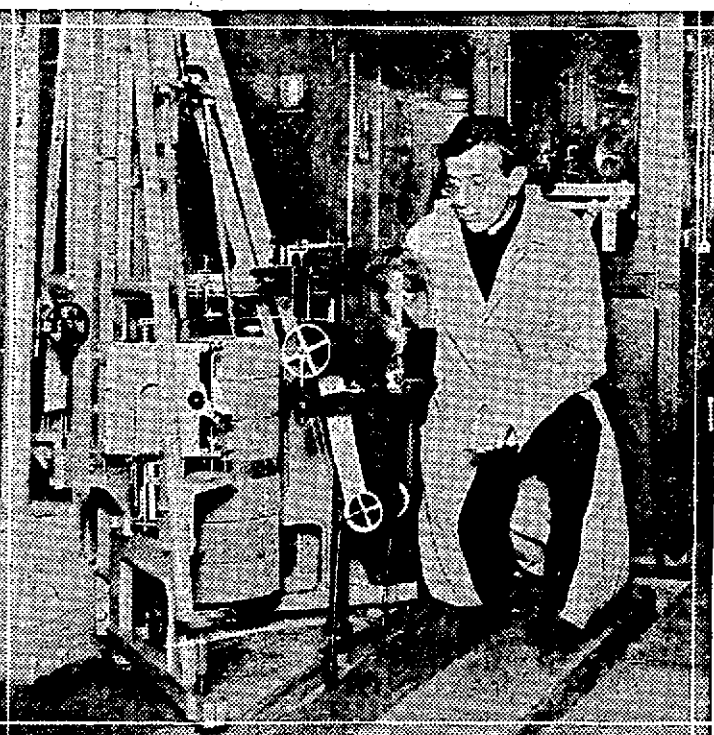

4. **Speed:** The New Corona is built for swiftness. Its standard portable keyboard, with right and left shift keys, is the simplest of all typewriter keyboards and, therefore, the easiest to memorize and use. The action is sure, and swift, and easy. For the touch system, the keyboard is ideal because the hands never need to leave their original "positioning" on the keyboard.

5. **Value:** No typewriter, at any price can equal the conveniences of the New Corona. No machine, large or small, will do better, cleaner work, nor stand up longer in service—yet the price is still \$50 complete with carrying case.

SEISMOGRAPH DETECTS EARTH TREMORS ALL OVER WORLD

WHEN THERE'S A QUAKE—HE TELLS THE WORLD

Father Francis A. Tondorf, S. J., chief of the Seismological Service of Georgetown University, is shown with the Seismograph, that delicate instrument that records earthquakes occurring on any part of the globe. By these means the world is kept informed of any quake, be it ever so slight. There are few of these seismographs in existence, but due to the large amount of trouble attached to taking care of them, not many are kept in constant operation. However the one at the University is always busy, and has imparted information of great value to scientists.

Bright Spots in News

Chicago.—Sheep Glands properly applied will restore hair to the balding head, Dr. William Englebach, St. Louis declared. He said they did not fail in 10,000 cases.

New York.—Magistrate Frothingham today summoned the landlord of the court house building, Anthony Koebel, charging him with failing to provide sufficient heat.

Detroit.—John Reichman, city fireman told the court that his wife, Helen, taught his mother and father how to drink intoxicating liquors. John was granted a divorce.

Yonkers, N. Y.—For using his wooden leg for a weapon in a free-for-all fight Jacob Jones was sentenced to four months in the work house.

HEAR THE WORD:—O earth,
earth, earth, hear the word of the
Lord.—Jeremiah 22: 29.

"Hauling Out" Road Taxes

Supporters of the good roads
movement have become aroused over
House Bill No. 90, that quietly skip-
ped through the lower house of the
Indiana legislature by a large ma-
jority, and are prepared to make a
fight on it when it comes before the
senate for consideration.

The bill provides for a return to
the old system of "hauling out"
road taxes—a system that was much
abused, and under which taxpayers
did not get the return on the money
they invested in roads that they do
now.

The bill legalizes the old practice
whereby a farmer can haul gravel or
any kind of material for roads in his
township and get credit for it on
his taxes. It provides that farm-
ers shall receive in credit on the
taxes they owe, the sum of \$3.00
a day for each day they haul, up
to the sum of \$20.

This is the same law that was re-
pealed by the 1919 session of the
legislature and in its place was pas-

TO RELIEVE PAIN
AND BACKACHE

Women May Depend upon
Lydia E. Pinkham's Vege-
table Compound

Minneapolis, Minn.—"I had heard so
much about Lydia E. Pinkham's Vege-
table Compound that when I realized I
needed to take some-
thing to relieve my
pains and backache,
and to help build me
up I began to take
that. I had been
sick off and on for
years and barely
weighed a hundred
pounds, but now I
have had such good
results that I am
recommending the Vegetable Compound
to every one."—Mrs. J. J. BIEBER, 3929
18th Ave. South, Minneapolis, Minn.

Finds a True Friend

"Every woman who values her health
should be proud to have a true friend
like the Vegetable Compound," says
Mrs. W. E. Shaw, 3227 Walnut Street,
Chicago, Illinois. "I had female weak-
ness so badly that I could not stand on
my feet. Half of my time was spent in
bed and I had pains in my back which
were unbearable. I tried everything I
could think of to help myself, and when a
friend advised Lydia E. Pinkham's Vege-
table Compound I began taking it at
once. I recommend it without hesi-
tation."

tant thing in the world for the man
running for office.

FIFTEEN YEARS
AGO TODAY

From The Daily Republican
Wednesday February 19, 1908
Street Commissioner T. M. Green-
lee was up at day break this morn-
ing and with a force of men had the
snow and slush cleaned away that
the school children could go to
school on dry pavements. It re-
quired quite an effort to complete
the work.

A new orchestration, imported from
Germany, has just been received at
the Greek candy store and will be
set up this week, says the Columbus
Republican. The old orchestration has
been sold to a firm in Rushville.
Elwood Kirkwood of near Glen-
wood was in this city on business
today.

Mr. and Mrs. W. J. Henley and
children and Edwin Megee of Chi-
cago were here today to attend the
Megee-McIntosh wedding.

Miss Daisy Beale was a business
visitor in Indianapolis yesterday.
Gaston Hunt has returned from
Indianapolis where he was in at-
tendance at a convention of hard-
ware merchants.

John A. Osborn, freight agent of
the C. H. & D. railroad company
who has been suffering with a se-
vere attack of mumps, is able to be
at his office.

Mary Louise, daughter of Mr.
and Mrs. Will Bliss, is suffering
with an attack of mumps at the
home of her parents in North Per-
kins street.

Prompted to action by the horrible
accident at the Main street cross-
ing a few days since, when Dr. O.
P. Dillon met his untimely death,
the city council last night in regular
session passed an ordinance re-
quiring the C. H. & D. railroad
company to maintain a flagman at
the Main street and Perkins street
crossings each Sunday from 7:30
o'clock in the morning until 6:30 in
the evening.

E. & W. railroad who has been suf-
fering with a severe attack of grip,
at his home in North Jackson street
is convalescing.

Mr. and Mrs. Milt Stiers have re-
turned from a visit with friends in
Indianapolis.

The Misses Bertha Eubank and
Myra Beale has returned from In-
dianapolis where they attended the
millinery openings.

Current Comment

Party Loyalty
(Toledo Blade)

The men in public life who have
been attracting the greatest amount
of attention in recent months were
elected as members of a party, al-
legiance to which they consider to
be shameful. They were elected up-
on a platform which they have repud-
iated. To this practice Will Payne
has given the name of weasel poli-
tics.

It is the custom to denounce
party politics and to glorify politi-
cal independence. Nevertheless
parties are essential to our national
system. They are so necessary that
even those who denounce them most
have suggested no substitute for
them. Parties must perform the
task of organizing campaigns, de-
fining issues laying down the prin-
ciples to which voters subscribe.

Now if an officeholder receives the
benefits of party organization and
runs upon a party's platform he
ought to give that party his loyalty
not simply before election, but after-
wards; he ought to stand by the
platform while he has his creden-
tials in hand no less than when he
was seeking them. How otherwise
can he be depended upon by the
voters?

While national officers and law-
makers are chosen under the party
system we cannot have each suc-
cessful candidate, duly elected as a
partisan, assuming later that his
party tag means nothing and his
party's blanks are sounding brass.
That would be political chaos. ...
President Harding is bending every
effort to carry out campaign pledg-
es plainly written in the party plat-
form and endorsed by the largest
vote ever given to a party. He is
beset now by men of his own party
who rejected the platform. Who
shall the President take as guides
and controls of his actions—the
voters of 1920 or the insurgents of
1922-23?

The labor union leaders who was
chosen to represent his organiza-
tion at a meeting with employers and
went over the employers' side of the
case would cease forthwith to be a
leader. His union would no more
have him than it would a labor-bait-
er on its executive board. The com-
mercial salesman who ignored the
prices listed by his employer would
be out of a job in no time. Loyalty
is a necessity in human affairs, and
loyalty to a party's principles is
not to be expected.

NEW SALEM BOWS BEFORE ARLINGTON

High School Team is Defeated Saturday Night, 39 to 28, First Half Ending 20 to 15

ARLINGTON GIRLS ALSO WIN

The Arlington high school basketball team defeated New Salem Saturday night at Arlington, by the score of 39 to 28, in a game that was well played, and in which the Arlington team had things their own way at all angles. The first half ended 20 to 15.

The girls from the Arlington school also won out over the New Salem girls in the curtain raiser 26 to 24, and came from behind in the last few minutes to win the game. The first half ended 11 to 8 in favor of New Salem. The line-up and summary:

Arlington 39	New Salem 28
Nelson F	K. Wilson
Hill F	Wills
Price C	King
Beckner G	Laforge
Lee G	H. Wilson

Substitutions: Summan for Hill, Stam for Wills. Field goals, Nelson 11, Price 7, K. Wilson 4, Wills 4, King, Laforge. Foul goals, Nelson 3, K. Wilson 8.

The Arlington girls line-up was as follows: Ennis and Ridden, forwards; Gahimer, center; Winslow and Tweedy, guards. Zelda Hutchinson went in for Ridden, Sharp for Winslow; New Salem as follows: Beaver and Emsweller, forwards; King, center; Stout and Matle, guards. Field goals Ennis 3, Ridden, Gahimer, Hutchinson 7, Beaver 2, Emsweller 5, King 4. Foul goals, Ennis, Beaver, Emsweller, Hutchinson.

100 WAYS To Make Money

By BILLY WINNER

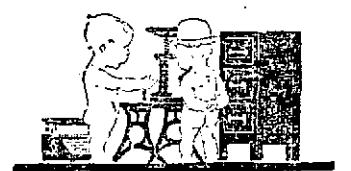

If I Were a Purchasing Agent—

I COULD easily make some money for my firm.

As the old machinery and equipment is displaced by the new, instead of letting the old material lie around and litter up the plant and office, I could sell it and convert it into usable cash. This applies to anything from a filing cabinet to a drill press.

There are many manufacturers and business men who can use just the equipment which has been displaced. They are looking for it. I'd simply run an ad in The Daily Republican Classified Section and tell them what I had. They'd soon take it off of my hands for ready cash.

I could also make advantageous purchases through The Daily Republican by advertising my wants. Thus I could also buy equipment at good prices.

Hittin' 'Em & Missin' 'Em

This is the last week before the basketball sectionals and practically every team will close their schedule of games this week, and rest next week for the sectionals. Rushville has two games on the week end. Connersville will be idle until the sectional, after their defeat Saturday night, 38 to 19, by Muncie.

RICHMOND GOES BIG

One of the biggest surprises of the week end games, was the defeat of Bedford by Richmond on Saturday night. Even Richmond had conceded the game to Bedford. It only strengthens Richmond's foothold on the state title. The game furthermore was played on the Bedford court.

ELWOOD WINS THE CUP

Elwood won the Tri-State tourney at Cincinnati, not having much trouble in taking the meet, and in defeating several teams from the three states. Although Moscow was their first victim, by the score of 24 to 7, yet Gosnell, the star performer for the Moscow team, was out of the contest, or the score might have been different.

TO PLAY TOURNEY OVER AT ARLINGTON

The independent tourney over at Arlington, ended in a dispute Saturday night, and the Connersville team was ruled out, because they played professional players. It means that three of the teams beaten by Connersville will have a tourney of their own Tuesday in order to see

who will play in the state meet at Indianapolis, beginning Thursday.

WE NEED A MAN LIKE THIS

Nelson, forward on the Arlington high school team, was the big noise Saturday night, when the Arlington team downed New Salem, 39 to 28. The forward made 11 field goals and 3 fouls, or 25 of the points. Price, center, made the rest of the points.

Lowell Headlee, former Rushville high school player, has taken out a berth on the Arlington Athletic Club, and has been playing with the Junior team.

DRAWING TAKES PLACE ON SATURDAY

The drawing for the 48 sectionals will be made Saturday afternoon at Indianapolis. We're hoping that Rushville picks an easy run of games, but if we do, it will be the first time in years that we have been lucky.

Wouldn't it be fine if the state board would suddenly decide to change Connersville over to the Richmond district. It would give the Rush county teams a better chance.

NEWCASTLE FEELS CONFIDENT

Since Newcastle defeated Hartford City, they are about convinced now that they can win the sectional, which is composed of Henry county teams. Cadiz, Spiesland or Mt. Summit are looked upon as about as bad actors by the Newcastle team.

CAUGHT IN A ROLLING CHAIR

WELTERWEIGHT CHAMP AND BRIDE ON HONEYMOON

M. A. (Mickey) Walker and his bride, the former Miss Maude E. Kelley, of Brooklyn, N. Y., were caught while they were helpless in one of the rolling chairs down at Atlantic City, N. J., where the couple are spending their honeymoon.

Legal Boxing Now in Balance

By HENRY L. FARRELL

New York, Feb. 19—Boxing all over the country in a large part, depends on what happens to the sport in New York. If the present period of unrest results in repeal of the Walker law, as has been threatened, it will mean simply that boxing can not and will not be a nice game. If the Walker law cannot make a decent sport of it, it is not a sport and it should not be conducted as such. The Walker law represents the thought and deliberation of wise and experienced minds. It covers every technical ground as no previous law ever has done. It controls every thing but the greed of boxers, managers and promoters and that is impossible to control.

After some sad experiences with Battling Siki, the French Boxing Federation said the sport needed closer supervision in Paris and that they were going to follow the lead of the New York boxing commission. New York is looked up to the same way in this country and if the game dies here, a lot of boxers will have to look around for some other line of business, as there will be little doing in the ring any place.

William Muldoon, chairman of the New York commission, has made

some mistakes. Some of his rulings have been the cause of mirth and ridicule, but he didn't make any mistake when he issued the edict that a boxer committing a foul would not be entitled to collect his purse. There has been only one foul committed since that edict.

Two members of the American Olympic team for 1924 have already been announced. Joie Ray and Bob McAllister have announced themselves as members of the track and field delegation that Uncle Sam will send to Paris. The boys are confident if nothing else. But the nice part about it is that the committee, to pick the team no doubt will agree with them.

His time was 6 minutes, 41.4 seconds. Thousands attended the Millrose Meet, at Madison Square Garden, New York, and the applause was thunderous when it was announced that Ray had created another world's record.

BLOW AIMED AT 5TH CARD IN STUD POKER

Nashville, Tenn., Feb. 19—Along in the line with other sports the reform wave has at last struck at the great American game of stud poker.

The fifth card in stud poker is the latest thing that has caught the eye of the blue law forces.

In a bill Representative Walker Haynes, of Franklin County, Tennessee, says he is drafting to present to the legislature, the practice of drawing more than four cards in a stud poker game would be made a felony, punishable by the same penalty as provided by law for manslaughter.

The drastic need for a reform law of this character has caused him to start work on the measure. Representative Haynes said.

"The need for such a law is very great," he said. "They talk about liquor ruining our homes and heaping up graves. What really is needed is a law to abolish the fifth card in stud poker."

"No one can conceive the danger of the fifth card in stud poker. It has filled more almshouses and caused more beggars than all the liquor in the world. The fifth card by all means ought to be abolished. "Four cards are enough in stud."

CONNERSVILLE RULED OUT OF THE TOURNEY

Professionalism Charge Upheld and Teams Defeated by Anstead's Will Play Again Tuesday

DISPUTE AT ARLINGTON

The remainder of the independent basketball tourney at Arlington will be played Tuesday evening, beginning at seven o'clock, when three teams that were defeated by the Connersville Anstead's will have to play their games over, on account of a protest filed by Fairview against Connersville being allowed to play and the result was the Anstead's were ruled out of the tourney by Wayne Ellman of Indianapolis, the referee. Professionalism was charged against Connersville.

The three teams that will have to play again are the Orange A. C.'s Arlington Juniors and the Arlington A. C.'s. The Saturday afternoon games resulted as follows: Arlington Juniors defeated Fairview 45 to 25; Connersville Anstead's defeated Arlington A. C.'s 36 to 25; and in the final game the Ansteads won from the Arlington Juniors, 52 to 36.

The winners of the Tuesday night game will play in Indianapolis at three o'clock Thursday, against the winners of the Portland sectional.

306 NORTH MAIN STREET PHONE 1364

The Phi Iota Xi sorority will hold a pitch-in supper at the home of Miss Phyllis Dean in North Main street Tuesday evening at six o'clock.

Mr. and Mrs. Robert E. Hinshaw of this city were the dinner guests Mr. and Mrs. William N. Hinshaw and Mrs. Mary Hill in Carthage Sunday.

The Tri Kappa sorority will be entertained tonight by Mrs. Paul Newhouse at the home of her parents, Mr. and Mrs. W. O. Frazee, in North Harrison street.

The Get-To-Gether club will be entertained Tuesday afternoon at 2:30 o'clock at the home of Mrs. Grecey P. Mauzy, in North Main street. All the members of the club are urged to attend this meeting.

A delicious pitch-in dinner was enjoyed Sunday at the home of Mr. and Mrs. Loté Carter in North Morgan street, when twenty guests assembled at their home and enjoyed the day with them.

The Auxiliary Club will be entertained Tuesday afternoon at the home of Mrs. Anna Higgs, 403 West Second street. All members are requested to bring aprons as there will be a sale at this meeting.

The Woman's Missionary Society of the First Presbyterian church will be entertained Tuesday afternoon at the home of Mrs. Charles Hinkle, 228 West Fifth Street. An interesting program has been prepared for this meeting.

Mr. and Mrs. Arthur Reynolds entertained with a prettily appointed dinner party Sunday at their home in Glenwood. Covers were laid for Mr. and Mrs. Fred Cochran of Newcastle, Mr. and Mrs. Will Trennepohl and Gladys Cregar of this city.

The Loyal Women's class of the Main Street Christian church will hold their regular monthly meeting Tuesday afternoon at 2:30 o'clock at the home of Mrs. Walter Conway 601 North Morgan street. All members are cordially invited to attend this meeting.

Mr. and Mrs. Glen Miller were host and hostess to a dinner party served at one o'clock Sunday at their home in East Second street. The guests were Mr. and Mrs. John Knecht of this city and Mr. and Mrs. Short of Knightstown.

The Loyal Daughters class of the Main Street Christian church will be entertained Tuesday evening at the home of the class president, Mrs. Ben Sparks, in North Perkins street. Mrs. Albert Allen and Miss Frances McMalin will be the assisting hostesses.

The Industrial Club will be entertained at the home of Mrs. J. C. Craig 223 East Eighth street, Wednesday afternoon at two o'clock. All the members are cordially invited to attend this meeting and are requested to come prepared to work on quilt blocks.

Mrs. Lydia Hurst was hostess to a delightful dinner party Sunday at high noon, at her home west of the city. The guests were the Rev. and Mrs. R. A. Uhrey and two nieces Dr. J. M. Walker, Mr. and Mrs. W. A. Mull and daughter Alvira, Mr. and Mrs. Harry Mull, Henry Maury, Herman Hurst and the Misses Nellie Jones and Ellen Louise Jones.

Mr. and Mrs. Lloyd Kinder delightfully entertained Saturday evening at their home in Raleigh, with a miscellaneous shower, honoring Mr. and Mrs. Raymond Dixon. The honored guests received many beautiful and useful gifts. The guests enjoyed the evening with games and contests and the hostess served refreshments of ice cream and cake.

The mid-winter party for the Elks club will be held Tuesday evening, and it promises to be one of the best social functions on the social calendar this year. Wright's Five piece orchestra of Columbus, Ohio, will furnish music for the dancers the hours being between nine and one o'clock. A special musical program has been arranged and the dance will be strictly invitational.

The League of Women Voters of Fairview Township, Fayette county,

met at the home of Mrs. Earl Ruff last Friday afternoon. The decorations for the home were in Washington emblems. Two speakers were on the program, Mrs. Ricard, who spoke on "Play and Play Grounds" and Mrs. Miller who discussed "Uplift of the Community." Refreshments were served by the hostess who was assisted by Mrs. Britt and Mrs. Hugh Beaver.

News was received here today of the marriage of Miss Edna Brondenberg of Glendale, Calif., formerly of Anderson, Ind., and Charles Carter, also of Glendale and a former Rushville boy. The marriage took place some time ago, but announcement of it was not received here until today. Mr. Carter is the son of Mrs. Victoria Carter of this city.

ESCAPES JAIL WITH THE AID OF OUTSIDERS

Continued from Page One. and Mayor Thomas placed his bond at \$2,000 on each charge, one for unlawful possession, and the other for possession with the purpose of a sale.

On account of painting a portion of the jail cells, the prisoners were divided Saturday, and Cleveland placed on the second floor. Hall, who was arrested on a charge of violating the liquor laws, pleaded guilty, and received a fine of \$100 and costs and a 90-day sentence, which was suspended by Mayor Thomas. This young man was implicated by Louis Dudgeon, who was arrested the day before on an intoxication charge, and pleaded guilty. "A borrowed" automobile of Willard Palmer was found just north of Rushville, and returned to the owner.

Hall was unable to pay the \$100 fine and costs, amounting to \$130, and he was sent to jail, and occupied the second floor with Cleveland. The other three, Raymond Foreman, Mier Dunn and Wayne Chandler, arrested Friday night, were on the lower floor of the jail. They are charged with conspiracy, and are unable to give \$1,000 bonds.

These men told Sheriff Hunt that they heard a machine on the outside of the jail during the night, and heard people whistling back and forth, but thought that it was the sheriff bringing in more prisoners.

The escape from jail was made by climbing over the high fence on the east side of the jail, in Perkins street and by placing a ladder to the middle window. The ladders were sawed, and the escape made.

Hall told the sheriff when breakfast was served Sunday, that the prisoner had escaped, but stated that he didn't know anything about it until he awakened.

The jail has been frequently broken out of by prisoners and it is almost an annual affair to have saws smuggled in, or handed in from the outside, and for this reason, the high board fence was built last year around the jail.

It is the first time that the delivery was ever made from the second story. It is considered fortunate that all five prisoners were not on the same floor, because there would no doubt have been a wholesale delivery.

LEGISLATURE IN ITS LAST QUARTER

Continued from Page One in road construction and repair. Still pending in house where it was introduced, and admittedly having small chances of approval.

6.—The bill drafted by the board of accounts adjusting the salaries of all county officials, affecting a general reduction except in the case of county recorders. The bill is still in the hands of Governor McCray who is a member of the accounts board, awaiting introduction.

The amendments to the appropriation bill would provide \$780,000 for power houses at Purdue University, the Muncie Normal School, and the Riley hospital; \$500,000 for the governor's emergency and contingent fund; and \$500,000 added to the amount for completing the reformatory at Pendleton in line with Governor McCray's recommendations. The house had lopped off the \$500,000.

It is expected the appropriation bill will come up in the senate this week, with a majority committee report recommending the changes and then passage. The democrats on the committee, however, plan to offer a minority report recommending amendments drastically reducing a majority of the appropriations.

IS GIVEN 60 DAY RESPITE

"King" of House of David Allowed 2 Months to Answer Questions

Benton Harbor, Mich., Feb. 19.—"King Benjamin" ruler of the House of David, today was granted a sixty day respite in the battle to prevent being hauled into court to answer questions regarding his cult.

Judge L. D. DesVoignes in Cassopolis circuit court, gave Benjamin Purnell, "king" of the sect two months in which to answer the demand by attorneys for two former girl members of the cult, that he be forced to tell the inner secrets of the organization.

The two girls—Ruth Bamford Reed and Gladys Bamford Purnell are seeking \$800,000 damages from Purnell, alleging they were mistreated and forced to submit to immoral practices while under the House of David rule.

WILL CONFER THIRD DEGREE

Franklin Lodge Degree Staff Goes to Arlington Friday

The degree staff of Franklin Lodge No. 35 I. O. O. F will confer the third degree at Arlington next Friday evening for Beech Grove Lodge No. 399 of that place. A large class of candidates will be given the work and a large attendance is anticipated.

The second degree will be given here at the next regular meeting Wednesday evening and the candidates from here will be taken to Arlington Friday evening to complete the degrees.

A rehearsal will be held this evening in preparation for this trip and the new paraphernalia recently purchased for this degree will be used for the first time.

EFFORT TO DEFEAT MOOREHEAD BILL

Continued from Page One. creased the membership from five, as provided in the bill, to six; three republicans and three democrats. The amendment was finally tabled by a vote of 24 to 22.

An amendment by Brown which would provide that at least three board members be from different townships was carried.

The strength of the measure was indicated again today when Senator Sweeney made a motion to discontinue further consideration. His motion was tabled by a vote of 28 to 17.

A majority committee report for passage of the bill requiring permits for the state department of conservation, for anyone taking sand from the Indiana shore of Lake Michigan was adopted by the senate. This bill was opposed by Senator Steel, who said it was being fought by citizens of Michigan City.

Senator Hartwell introduced a bill which would require persons fishing in their own county to have a license. A five dollar license for anyone trapping in Indiana would be required under a bill introduced by Senator Penrod.

Amendment of the chiropractor registration bill to include registration and licensing under supervision of the state board of medical registration with an addition of a chiropractor to the board, passed second reading in the house. It was introduced by Representative Gottschalk.

A motion of Representative Updike to table the amendment failed. The bill originally provided for a separate board.

The county unit school bill was changed by the state senate to make it apply only to rural communities even in the question of its adoption.

On motion of Senator Lambert, the senate adopted an amendment which would exclude residents of a city from voting for or against adoption of the system under which township trustees control of the school affairs would be abolished.

CALLED TO DOOR AND SHOT

Cleveland, Feb. 19.—Carl Metta, a federal prohibition agent was called to the door of his home here today and shot and killed by an unknown man. The assassin also shot and injured Jon Sanserera, occupant of an apartment of the building who rushed into the hallway upon hearing the shooting.

STOCKHOLDERS TO MEET

The annual meeting of the stockholders of the Rushville Supply company will be held this evening at 7:30 o'clock in the assembly room of the court house, and all stockholders are urged to be present.

Old newspapers for sale, 5c per bundle at Republican office.

SOCIAL SECRETARY TO MRS. WARREN G. HARDING

KEEPS SOCIAL WHEELS MOVING FOR "FIRST LADY OF THE LAND"

Miss Laura Harlan, social secretary to Mrs. Harding, whose charm, tact and dignity have made her indispensable to the President's household. The daughter of the late Justice of the Supreme Court, John M. Harlan, of Kentucky, she has served as social secretary to Mrs. George W. Wickersham, wife of the Attorney General in the Taft Cabinet, later becoming Secretary to Mrs. Williams Phillips, wife of the Assistant Secretary of State as well as to Mrs. Frank Polk, wife of Under Secretary of State and Mrs. Norman Davis, whose husband was also in the State Department.

Lagrange — An ordinance forbidding the wearing of masks, robes or other forms of disguise has been passed by the city council.

MARRIAGE LICENSES

A marriage license was issued Saturday to Edgar Fleener, a mechanic of Fayette county, and Vivian Cupp, daughter of Mr. and Mrs. John Cupp of this city.

DEALERS SEE NO NEED FOR ALARM

Continued from Page One to arrive at estimates as nearly correct as possible.

The first report of the Department of Commerce on sugar was issued on January 23, of last year. It predicted a production of 15,500,000, and final carryover at the end of the year of 1,000,000 tons. The second report issued on September 4, placed production at 17,490,000 tons consumption at 18,360,000 tons and the final carryover of 830,000 tons. The final figures showed production to have been 18,183,000, consumption 18,680,000 and the carryover 1,203,000 tons.

In compiling these reports officials in charge of the work explained, the production estimates of Willett & Gray were used, while the figures for the last report issued last week were checked up by official Government reports, and are believed to be more correct than the other two.

Production this year, according to the official estimate, will be 18,308,000 tons and consumption 19,035,000 tons, leaving a final carryover of 476,000 tons.

PLAN NEW TACTICS FOR SENATE VOTE

Continued from Page One their moves in the two remaining weeks:

Twelve and thirteen hour sessions of the senate daily.

Strict exclusion of all other business.

Application of cloture, limiting debate, if all other measures failed.

Enlisting President Harding's aid for a final appeal to senators to quit filibustering and "play fair" with the rest of the senate by letting the bill be passed or killed on its merits.

DISARM GERMAN POLICE

Dusseldorf, Feb. 19.—French troops surrounded the barracks at Essen Sunday and disarmed 400 German police.

BIRTHS

A baby girl weighing eight pounds was born to the wife of Verl Behout living a short distance east of Rushville, on Saturday.

FOUND HANGING IN GARAGE

Columbus, Ind., Feb. 19.—John Marshall Pherigo died late last night after he had been found hanging in his garage in a suicidal attempt. He was taken down still alive some time after he suspended himself in the air. It was said he was chief clerk in the post office had been despondent over ill health, beer and had been in mail service twenty-nine years.

FIRE LOSS OVER 8 MILLION

Indianapolis, Ind., Feb. 19.—Indiana's fire loss in 1921 totalled \$8,533,356, according to the National Board of Fire Underwriters today. Indiana stands fourteen among other states in fire loss.

Princess Marie of Belgium

TO WED HEIR TO ITALY'S THRONE

Princess Marie, of Belgium, who according to an official announcement from Rome, is betrothed to the Italian Crown Prince Umberto. It is expected that the royal wedding will take place very shortly.

The Business Began With a Newspaper Advertisement

"That first year we spent \$2,600 in advertising our new product in the newspapers of two cities and because advertising has been such a big factor in building up the business, we consider that our beginning."

So wrote a business man whose product is now a household word.

He had a new idea—a new article—a new style of merchandising—almost a new want to create.

The newspaper advertising gave him an idea of the public's response. It was favorable and profitable.

The rest was easy, and city by city the new idea was put across.

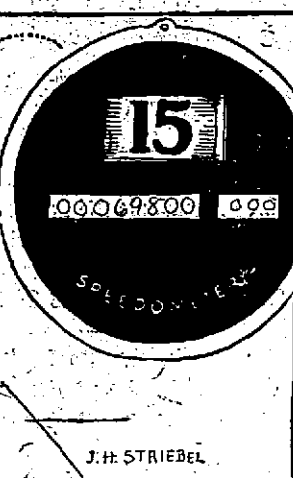

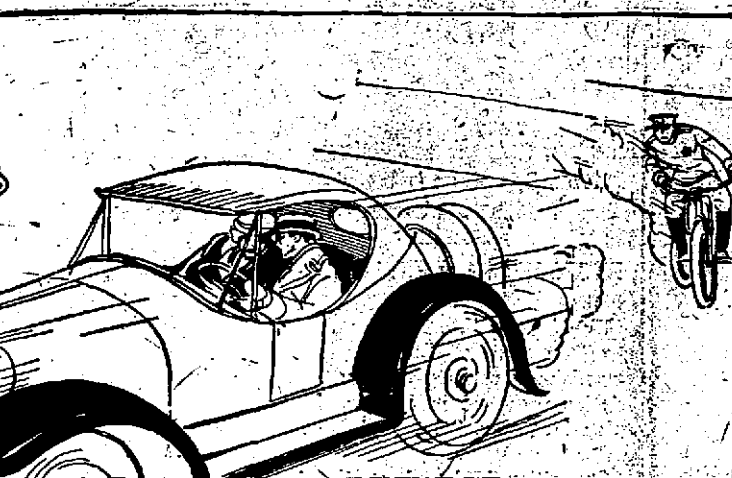

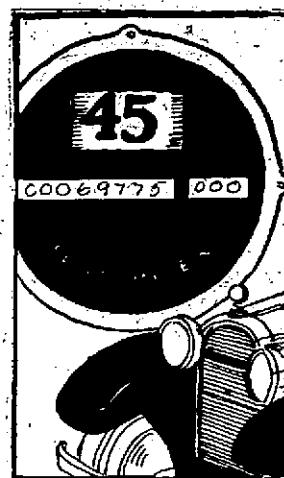

Today his company is a many million dollar concern and its advertising appropriation is counted by the hundreds of thousands.

Evening Daily Newspaper advertising properly planned and properly done pays from the beginning and returns increasing dividends year after year.

THE HOME GARDEN

What is Home without a Garden?

PLANNING FLOWER PLANTINGS

Planning a flower garden is a more difficult and complicated task than laying out a vegetable garden. In the vegetable garden straight rows to each variety give the ideal plan. It is quite the opposite for a flower garden or flower border.

Either formal beds of geometrical outline or informal plantings may be used. Then, too, most important of all is the color plan. The placing of the various hues in harmonious association or in pleasing contrast is a problem for close study.

If the flower garden is to be formal, lay out the beds in squares, circles, rectangles, or any shape desired, which is fitted to secure artistic and economic utility of the space at hand. These can be drawn to scale, easily enough and no great difficulty in transferring the plan from the ground exists.

If an informal border or long bed of many varieties is desired—and this is one of the most popular methods, particularly along walks and boundaries—planning is much more of a task. Paper ruled off in squares of one-tenth of an inch with heavier inch rulings is desirable for this job. First decide whether the border is

to have straight lines or whether it is to be of irregular edge, with gently curving lines, this being the most artistic method and lending greater variety and grace to the planting. With the ruled paper draw this outline to a scale of one tenth of an inch to a foot, after measuring the ground with a tape measure. Then mark off the space you desire to give to each colony of annuals. The little squares on the paper will readily show you the outline and dimensions of the space.

In transferring the plan to the border, the ground may be ruled off with a tennis marker, or with strings to correspond with the plan. This trouble is necessary only when the border is of such extent that it is difficult to judge by the eye alone of relative distances.

Study the height that plants grow, placing the tallest at the back, occasionally letting a tall colony extend to the front to break up monotony of outline. The low-growing plants naturally belong on the edges. Consult the seed catalogues or packets for the proper distance apart that the various annuals should be spaced and draw your plan accordingly. Raise plants sufficient for your plan with a reserve in case some of them should die or fall victim to insects. Then you can fill any gaps readily.

The extra reserve is also necessary in the case of some varieties which produce a percentage of "rogues", which are off color or single. Such undesirables may be removed when they appear in the border and their places be supplied with perfect plants from the reserve. This is of prime importance, as inferior specimens often ruin the effect of a planting.

INQUIRIES BEGUN AFTER FATAL FIRE

Twenty-two Insane Patients and
Three Attendants Die in Burning
of Manhattan Hospital

OVER 1700 INMATES SAVED

Water Tank on Roof Crashes
Through, Blocking Entrance to
West Wing, Where Deaths Occur

New York, Feb. 19.—Charred ruins of the west wing of the Manhattan State Hospital, when twenty-two insane patients and three attendants who gave their lives in vain efforts to save their charges perished by fire yesterday, were searched today by investigators seeking to fix blame for the tragedy.

Six inquiries were under way into the blaze which swept the top floor of the Wards Island Asylum and trapped the helplessly insane victims and the men who gave their lives in line of duty.

Initial blame for the tragedy was officially attributed to blasting at Hell's Gate, some distance away, which may have dislodged electrical connections in the hospital and caused crossed wiring from which the fire is believed to have resulted.

Starting in the ceiling of the fourth ward, where maniacal and suicidal patients were kept, the fire ate its way downward early yesterday morning while attendants rallied to the call, sought to get out the madmen, most of them becoming completely helpless as the fire grew. It was like trying to get frightened horses out of a burning barn.

Patients given unnatural strength by terror, plunged about in the ward which was rapidly choking up with

FAMOUS SINGER AND ACTOR

Geraldine Farrar, famous singer and Lou Tellegen, famous actor, photographed before storm and strife marred their marital happiness.

smoke, while red flames seeped through cracks in the ceiling.

"Early breakfast" was the call that brought many from their cells. Nurses and attendants succeeded in getting out 1,700 patients from other parts of the hospital not immediately threatened.

In the fourth ward, however, the flames had gained too much headway, and while attendants still struggled

with insane patients who refused to be saved, a huge water tank that had been on the roof crashed through the fire weakened ceiling, blocked the entrance to the burning wing and all but two of those within perished.

Acting Mayor Murray Hulbert, the fire department, state Hospital Commissioner Haviland, Captain Arthur Carry of the suicide squad, Attorney General Carl Sherman and Chief Medical Examiner Norris began separate inquiries today into the disaster.

Inadequacy of fire fighting apparatus on the island was admitted by officials.

Income Tax Facts

NO. 15.

Bad debts constitute a considerable item in the returns of many taxpayers and may be treated in one or two ways: (1) by a deduction from income in respect of debts ascertained to be worthless in whole or in part, or (2) by a deduction from income of an addition to a reserve for bad debts. When satisfied that a debt is recoverable only in part, the Commissioner of Internal Revenue may allow such a debt to be charged off in part. Partial deductions are allowed with respect to specific debts only. The taxpayer must be able to show with a reasonable degree of certainty the part that is uncollectible.

Where a taxpayer, as a matter of established business practice, sets up annually a reserve for bad debts, reasonable additions to such reserve during the year, in the discretion of the commissioner, may be deducted. In such case, debts written off on the books of a taxpayer must be charged against this reserve, and must not be claimed as a deduction from gross income unless the debt was outstanding on December 31, 1920.

Taxpayers who adopted either of the two methods for the year 1921 must use the same method for the year 1922, unless permission to change is obtained from the Commissioner of Internal Revenue.

A taxpayer using the reverse method should include in his return a statement showing the volume of his charge sales (or other business transactions) for the year, the percentage of such reserve to such amounts, the total amount of notes and accounts receivable at the beginning and end of the taxable year, and the amount of debts ascertained to be worthless and charged off against the reserve account during the taxable year.

Bad debts can be deducted only for the year in which they are ascertained to be worthless and charged off the books of the taxpayer. The taxpayer should attach to his return a statement showing the propriety of any deduction claimed for a debt.

PLANS OPPOSITION TO OLD AGE LEGISLATION

American Federation of Labor Con-
tends Opposition is Based on
"Robbing the Workers"

PROPOSED IN A FEW STATES

Washington, Feb. 19.—The American Federation of Labor is quietly organizing opposition to old age legislation proposed in Illinois, Pennsylvania, Texas, Colorado, Wisconsin and other states.

Opposition is based on the contention that "such doles would rob the workers of initiative" and the will to make their old age secure from poverty.

Pensions under the proposed measures would range from \$25 monthly to citizens over sixty in Texas to \$1 per day to citizens over 70 years old in Pennsylvania.

To qualify for pension the applicant must show ten years or more of useful service to the state in which he applies for such aid and prove poverty.

While the federation of labor is opposed to the principle of the proposals, it nevertheless realizes the strong appeal it has to many workers and therefore is prepared to compromise by making such aid of national character. If pensions are offered by only a few states the flow of workers will be to those states, depriving others of their needed labor requirements, leaders of the federation hold.

Adults Learn Lessons in Thrift From Their Children

Terre Haute, Ind., Feb. 19.—Adults of Terre Haute are learning a lesson in thrift from their children.

Almost \$60,000 saved in dimes, nickels and pennies was deposited in the school savings bank account.

Carrying their pennies right past stores that offer candy and delicacies so dear to youth, the children go direct to the school bank and deposit their money.

The bank is conducted by school authorities as a means of encouraging the kids to save. For those pupils who have no money and no means of obtaining any, teachers find small tasks for them to perform.

Tiny Eileen Neccham who brought her bank book and money from kindergarten said she earns her money by "helping mother at home."

Russell Paine boasted that he has saved more than \$15 this term, most of which he has earned.

Blackheaded Pimples Quit With S. S. S.

Why? Pimple-Poison Goes When Red-
Blood-Cells Increase! S. S. S.
Builds These Red-Blood-Cells.

You can be sure of this, nature has no substitute for red-blood-cells. Pimple-poison can't live in the red rivers of your blood as long as the world is full of red-blood-cells in it. More red-blood-cells!

That is what you need when you see pimples staring at you in the mirror. Black-headed pimples are worse! Eczema is worse yet! You can try everything under the sun—you'll find only one answer, more cell-power in your blood! The tremendous results produced by an increase in red-blood-cells is one of the A. B. C.'s of medical science. Red-cells mean clear, pure rich blood. They mean clear, ruddy, lovable complexions. They mean nerve power, because all your nerves are fed by your blood. They mean freedom forever from pimples, from the blackhead pest, from boils, from eczema and skin eruptions, from rheumatism impurities, from that tired, exhausted, run-down feeling. Red-blood-cells are the most important thing in the world to each of us. S. S. S. will build them for you. S. S. S. has been known since 1823, as one of the greatest blood-builders, blood-cleansers and system strengtheners ever produced. S. S. S. is sold at all drug stores in two sizes. The larger size bottle is the more economical.

MISS GLADYS STUDLEY, beautiful New York society girl, who gives Tanlac full credit for her remarkable return to health.

Miss Gladys Studley, a beautiful and popular society girl, residing at 430 West 119th street, is among the thousands of New York City people who are praising Tanlac for the return of their health, strength and happiness.

"For three years past," said Miss Studley, "I have been in a very badly run-down condition and, when I began taking Tanlac, I had little hope of ever being my normal self again. My nerves were so undone that at times I could not keep back the tears. Some days I enjoyed my meals and other days I simply had to force myself to eat. I had no energy and the least exercise would leave me completely exhausted. My complexion was becoming sallow and rough and I just seemed to be getting old before my time. Things had be-

come almost unbearable and my whole system seemed to be crying out under its burden of ill health.

"Well, it wasn't many days after I began taking Tanlac until I knew I was on the right road to recovery. My appetite increased, my tired feeling began to leave, my nerves steadied down and before long I was feeling like an entirely different person. My complexion is even better now than it ever has been and everyone is asking me what has brought about such a great change. I am so grateful for the way Tanlac has helped me back to health that I never lose an opportunity to recommend it. It certainly is grand medicine". Tanlac is sold by all good druggists.

Over 35-Million Bottles Sold.

WEEKLY STORE NEWS

From ALLEN'S

What shall I have for dinner? It is perplexing at times not to be able to think of something different for a meal and when we are asked this question (which is quite often) if the articles we mention do not appeal to the lady we suggest that she come to the store and look around for a few minutes. There are so many things displayed on our shelves that are "just a little different" that it makes the planning of a meal easy.

The sugar market is in a very unsettled state. We feel that the present condition is not justified by facts. The advances of last week were caused by reports of a shortage in the raw sugar crop. From information that we are able to get from government reports and trade papers there is almost as much sugar available for this year as there was last year. If folks will not get excited and will buy in small quantities just as needed there is no danger of extremely high prices but if everybody rushes in and tries to buy all the sugar in sight they will be playing directly into the hands of the speculators who are responsible for the present flurry and the increased demand will be used as an excuse to boost prices higher. If sugar prices should get sky high the consumer will be the cause of it.

Next week is National Canned Goods week. In our ad next week we will have special prices on many articles that will make it worth your while to stock up for the rest of the canned goods season. We sell Fresh Milk for 10c per Quart. What do you pay?

Mr. Mechanic

You know good workmanship when you see it. Note how smoothly a Bankable cigar is rolled and how smooth it burns. The cost is in the tobacco and workmanship not fancy bands and packing.
